The Cadet Expansion Programme is a Department for Education/Ministry of Defence project which was launched by the Prime Minister in 2012. Nationally over 100 state schools have established either a new Combined Cadet Force contingent or have formed a partnership with an established contingent.

The schools in the County of Surrey that launched new CCFs were:

The Quest Academy in Croydon, Southborough High School (partnership with St John's School) and Wallington High School (partnership)

One Surrey school, Ash Manor School has an application for a new CCF contingent in the pipeline.

The Cadet Expansion Programme is open to state schools; further details can be found on the CCFA website: www.combinedcadetforce.org.uk
