1. Name of project: "Raise the Roof"

2. Which organisation would be responsible for carrying out the project? The Go Godalming Association

Name of contact person: Town Cllr Joy Poulter

3. Description of Project:

a) what will be done?

This bandstand has never had a roof. It was just a lump of concrete until 2005 when the Go Godalming Association along with the two Godalming Rotary Clubs restored the base by extending it, paving it and putting railings round.

We now proposed to complete the bandstand by putting up an attractive roof.

b) what needs will it address?

It will allow us to go ahead with concerts, in most weather conditions. If it is very hot it will protect the performers from the sun and if it is showery it will allow us to go ahead with the concerts rather than taking them into the nearby church. With lighting it will allow us to stage evening concerts and plays.

c) what geographical area will it cover?

Already people travel to the regular Sunday afternoon concerts from Guildford, Haslemere and Leatherhead.

d) who will benefit?

The whole community. We hold regular Sunday afternoon concerts throughout the summer (18 in 2008). We average 400 people at our concerts with the largest audience being 1000. It has become a real focus for the community. Young families meet and the children play together. Older people meet up and share a flask of tea. We have many disabled people who come regularly to the concerts as it is on a flat site and easily accessible.

e) Please confirm that, where expenditure is for maintenance or repair of a non-Surrey County Council building, you envisage that building will remain in use for the foreseeable future. N/a

4. What consultation has been undertaken?

Plans have been passed by Waverley Borough Council who are very supportive. All the community is behind the project which has been cemented by one of our community giving us a donation of £50,000 towards the project.

5a. When will the project be: a) started: April 2009

b) completed: 31/05/2009

5b. When will you need the funds? Feb 2009
