

SURREY COUNTY COUNCIL**LOCAL COMMITTEE (SURREY HEATH)****DATE:** 3 July 2014**LEAD****OFFICER:** SANDRA BROWN / MICHELLE COLLINS**SUBJECT:** LOCAL COMMITTEE & MEMBERS' ALLOCATION FUNDING - UPDATE**DIVISION:** ALL**SUMMARY OF ISSUE:**

Surrey County Council Councillors receive funding to spend on local projects that help to promote social, economic or environmental well-being in the neighbourhoods and communities of Surrey. This funding is known as Members' Allocation.

For the financial year 2014/15 the County Council has allocated £10,300 revenue funding to each County Councillor and £35,000 capital funding to each Local Committee. This report provides an update on the projects that have been funded since April 2014 to date.

RECOMMENDATIONS:

The Local Committee (Surrey Heath) is asked to note:

- (i) The amounts that have been spent from the Members' Allocation and Local Committee capital budgets, as set out in Annex 1 of this report.

REASONS FOR RECOMMENDATIONS:

The allocation of the Committee's budgets is intended to enhance the wellbeing of residents and make the best possible use of the funds. Greater transparency in the use of public funds is achieved with the publication of what Members' Allocation funding has been spent on.

1. INTRODUCTION AND BACKGROUND:

- 1.1 The County Council's Constitution sets out the overall Financial Framework for managing the Local Committee's delegated budgets and directs that this funding should be spent on local projects that promote the social, environmental and economic well-being of the area.
- 1.2 In allocating funds councillors are asked to have regard to Surrey County Council's Corporate Strategy 2010-14 Making A Difference that highlights five themes which make Surrey special and which it seeks to maintain:
 - A safe place to live;
 - A high standard of education;
 - A beautiful environment;
 - A vibrant economy;
 - A healthy population.
- 1.3 Member Allocation funding is made to organisations on a one-off basis, so that there should be no expectation of future funding for the same or similar purpose. It may not be used to benefit individuals, or to fund schools for direct delivery of the National Curriculum, or to support a political party.

2. RECENT COMPLETED PROJECTS:

- 2.1 Several projects have been taken place within the last 3 months, here are a couple of the projects

Creation of a pond at Kings International School

£1,347.37 has been granted to create a pond and small garden for scientific experiments at Kings International School.

The students will be very much involved in the planting and creation of the pond. They will get to experience working outside and watch the garden grow and see how a natural habitat is formed.

This project will be for all year groups and will benefit students for many years

Road Name Signs for Badger Swift Way

A grant of £640 from Members' Allocation Funding has enabled the purchase of four signs for the lane in Bagshot, which had previously been unnamed and hence a little unowned.

A competition to 'Name the Lane' was run for young people and Badger Swift Way was the winning entry. The name was officially adopted by Surrey Heath Borough Council, but there was no funding available for the signs themselves.

Home-Start celebrate 25 Years in Surrey Heath

A grant of £1146 from the Members' Allocation Fund will help Home-Start to celebrate 25 years in Surrey Heath.

Home-Start is a charity which offers support, friendship and practical help to parents with young children. A huge number of families and children have been helped over those years. They plan to hold a fun family and children's event following their AGM on Friday 18 July and also take part in the Frimley Green Carnival - raising awareness in the local community of the work they do.

- 6.2 The current financial position statements detailing the funding by each member of the Committee are attached at **Annex 1**. Please note these figures will not include any applications that were approved after the deadline for this report had past.

7. EQUALITIES AND DIVERSITY IMPLICATIONS:

- 7.1 The allocation of the Members' Allocation and Local Committee's budgets is intended to enhance the wellbeing of residents and make the best possible use of the funds. Funding is available to all residents, community groups or organisations based in, or serving, the area.
