Q5 Description of the project

| | |
|---|--|
| <p>a) What will be done?</p> <p>The project is to install a toposcope (sometime called an orientation table) on Chinthurst Hill. The design is for a sandstone column, mimicking the tower at the summit of Chinthurst Hill, surmounted by the toposcope itself which will be an etched stainless steel disc.</p> | <p>a) the work involved to achieve the aims of the project</p> |
|---|--|

| | |
|---|--|
| <p>b) What needs will it address?</p> <p>The aim is to provide a permanent commemoration of Queen Elizabeth II's Diamond Jubilee. The toposcope will be informative in that it will indicate the direction of local landmarks plus a selection of more distant places of note. Of all the ideas suggested to WPC as a means of commemorating the Jubilee, this was the most innovative.</p> | <p>b) the evidence that shows this project is required</p> |
|---|--|

| | |
|---|--|
| <p>c) What geographical area will it cover?</p> <p>The toposcope's location is one where some features of all three villages comprising WPC (Blackheath, Sparsholt Green,</p> | <p>c) where the people who will benefit from this project live</p> |
|---|--|

| | |
|--|---|
| <p>Wonersh) are visible. All members of the parish are thus connected to this commemorative structure.</p> | |
| <p>d) Who and how many people will benefit? Chinthurst Hill is a popular walking area visited by many locals on a regular basis, by ramblers and by those keen to observe local flora and fauna (Surrey Wildlife Trust (SWT) maintain the area).</p> | <p>d) details of the groups of and the number of people whose lives will be improved by this project</p> |
| <p>e) How will you ensure that the project is fully accessible to this community? Chinthurst Hill is an open space accessible to the general public.</p> | <p>e) methods you will use so that all members of your 'community' benefit from this project</p> |
| <p>f) Please confirm that, where expenditure is for the maintenance or repair of a non-Surrey County Council building, you envisage that the building will remain in use for the foreseeable future. This is a new structure that has been designed for longevity.</p> | <p>f) (if applicable) confirmation that you expect a building to continue to be used in the foreseeable future</p> |
| <p>Q6 What consultation has been undertaken? The project itself was suggested by a parishioner following a request by WPC for commemorative ideas. It has subsequently been publicized to the parish through WPC's regular newsletter. The project has been developed in close liaison with SWT which manages the site. SWT are seeking confirmation from the landowner, SCC, for formal permission to erect the toposcope.</p> | <p>The names of organisations and people you have spoken with, who support your project.</p> |
| <p>Q7 When will the project be:</p> <p>a) started: Planning and design has already been undertaken. Construction would be expected to commence within 2 months of full funding being obtained.</p> <p>b) completed: Construction should take less than one month</p> | <p>The dates you expect your project to begin and be finished. Successful applications for members' allocations are expected to spend the funding within 12 months of being agreed.</p> |
| Financial Questions | |
| <p>Q8 When will you need the funds? Funds would be required at the time of construction. Exact timing will depend upon how much will have to be sought from other 3rd party funders. The earliest date could be about May 2013.</p> | <p>The date by which you will require the funds.</p> |
| <p>Q9 What is the total cost of the project? Please include estimate/breakdown of costings. The total estimated cost is approximately £5500. Of this approximately £500 is for the stainless steel toposcope and £5000 for the stone column upon which it is to be mounted.</p> | <p>The total amount of money the project will cost with a breakdown of the costings.</p> |
| <p>Q10 How much of the total cost would you like from the Local Committee? Please include estimate/breakdown of this part. £4847 (Revenue)</p> | <p>The amount of funding you would like from the local committee with a breakdown of these costs. If you have a quote, please attach it to the form.</p> |

| | |
|--|---|
| <p>Q11 Where is the rest coming from? WPC has a budgeted reserve for this project of £1000.</p> <p>Is it promised already, or still to be found? This sum is secure.</p> | <p>The names of the sources from where you are obtaining the rest of the costs for the project or whether it is still to be found.</p> |
| <p>Q12 Have you applied to anywhere else for this same funding? If so, to whom and when? No other sources of funding have been approached to date.</p> | <p>Details of other organisations you have applied to for this same funding. Please give names of the organisations and the dates applied.</p> |
| <p>Q13 Have you applied for this funding from any other part of Surrey County Council? Please give details. No</p> | <p>Details of other departments in Surrey County Council you have applied to for this funding. Please give names of the department, the contact person and dates applied.</p> |
| <p>Q14 Are you currently in receipt of any grant or contract funding from Surrey County Council? Please give details</p> <p>SCC has committed to providing £2000 towards elements of the Shamley Green Traffic Calming project.</p> | <p>Details of any grant or contract funding your organisation receives from Surrey County Council, even if not for this particular project. Please give details of contract no., purpose, dates/period covered and amounts.</p> |
| <p>Q15 Has the organisation responsible for the project received any Local Committee funding for this or any other purpose in the past? Please give details.</p> <p>The Parish Council has gratefully received a number of LC grants in recent years and has demonstrated a good track record of delivery on projects for which funding contributions have been made.</p> | <p>Details of any other funding your organisation has previously received from any SCC Local Committee including purpose, dates and amounts.</p> |
| <p>Q16 If this project will need funding in future, how will the costs be met? (Costs may be include e.g. maintenance, replenishment, breakdown, repair, support) The only future funding requirements are expected to be for maintenance which will be sourced through WPC's normal budget and precept setting processes.</p> | <p>Information on how you intend to fund and/or maintain your project in the future.</p> |
