

Adult Social Care Select Committee
17 January 2012

Recommendations Tracker and Forward Work Programme

Purpose of the report: Scrutiny of Services and Budgets/Performance Management/Policy Development and Review

For Members to consider and comment on the Committee's recommendations tracker and forward work programme.

Introduction:

1. A recommendations tracker recording actions and recommendations from previous meetings is attached as Appendix A, and the Select Committee is asked to review progress on the items listed.
2. The current work programme of items for future meetings is attached as Appendix B, and the Select Committee is asked to review the items scheduled and suggest any further topics for consideration.

Recommendations:

- a) The Committee is asked to monitor progress on the implementation of recommendations from previous meetings (Appendix A) and to review its Forward Work Programme (Appendix B).
