

CABINET MEMBER DECISION

Decision:

(i) Details of decision

That an objection be submitted on behalf of Surrey County Council to the East Sussex, Brighton and Hove and South Downs Waste and Minerals Plan on the grounds that it effectively precludes future provision for land disposal capacity for non-inert waste and that appropriate modifications to the Plan be proposed as set out in the report.

(ii) Reasons for decision

The objection seeks to protect Surrey from potential pressures to provide landfill capacity for a neighbouring county seeking to avoid making provision itself.

(iii) Details of any alternative options considered and rejected

The Cabinet Member noted that the Planning Manager and Head of Policy had delegated authority to formally respond to consultations on minerals and waste disposal plans by adjoining Planning Authorities. It was agreed that the wording of this delegation should be clarified to reflect that in future this power should be exercised by officers after consultation with the relevant Portfolio Holder.

(iv) Details of any consultation and representations received not included in the published report
