

## **CABINET MEMBER DECISION**

### **Decision: PROPOSAL FOR THE INTRODUCTION OF A PERMIT SCHEME UNDER THE TRAFFIC MANAGEMENT ACT 2004**

#### **(i) Details of decision**

1. That the development of permit scheme proposals continue in collaboration with East Sussex County Council.
2. That formal consultation on the introduction of a permit scheme in Surrey proceed as set out in the report.
3. That the outcome of the consultation be reported to Cabinet prior to a decision on whether to proceed with the introduction of a permit scheme in Surrey.

#### **(ii) Reasons for decision**

To proactively consider the introduction and operation of a permit scheme in Surrey will enable a future decision to be taken on any scheme implementation. Should the decision to proceed be positive, we will need to have satisfied the DfT requirements on submission of the scheme, which includes having consulted on the proposals. Working collaboratively with another local authority on this project enables the sharing of best practice, resource and costs.
