

Council Overview and Scrutiny Committee  
13 June 2012

## Completed Internal Audit Reports

### **Purpose of the report:** Scrutiny of Services

The purpose of this report is to inform Members of the Internal Audit reports that have been completed since the last report to this Committee in May 2012.

### **Introduction:**

1. On 22 February 2010 the Audit & Governance Committee recommended that a standing 'internal audit' item be put on all Select Committee agendas. This Committee has agreed to consider all relevant Internal Audit reports that have attracted an audit opinion of either "Major Improvement Needed" or "Unsatisfactory".
2. This report provides a list of the four Internal Audit reports that have been issued since the last report to this Committee in May 2012. Of the four audit reports issued, none attracted an audit opinion of "Major Improvement Needed" or "Unsatisfactory".

### **Internal Audit and the Reporting Process:**

3. The Accounts and Audit Regulations 2011 require that a local authority "must undertake an adequate and effective internal audit of its accounting records and of its system of internal control in accordance with the proper practices in relation to internal control". The Internal Audit plan for 2012/13, which sets out the work that Internal Audit will complete during the year to meet its statutory responsibility, was approved by Audit and Governance Committee on 5 April 2012.
4. The Internal Audit reporting and escalation policy requires that all final audit reports are circulated with a management action plan, agreed by the relevant Head of Service, which sets out what management action is proposed in response to audit recommendations. Included in the audit report is the auditor's opinion on the controls in place. The audit opinion will fall into one of the following agreed classifications:
  - Effective
  - Some Improvement Needed
  - Major Improvement Needed
  - Unsatisfactory

## ITEM 12

5. All final audit reports are circulated to the relevant strategic director; the Cabinet Portfolio holder; and, the relevant Select Committee Chairman. In addition, all members of the Audit and Governance Committee receive full copies of all Internal Audit reports.

Any such matters highlighted as part of the audit work referred to in this report, would be progressed through the agreed Internal Audit Reporting and Escalation Policy.

### Recommendations:

- 8 (i) That the Committee notes the audits completed in the period; and,  
(ii) that relevant Select Committee agendas include Internal Audit reports as a regular item.

### Next Steps:

9. That the Committee receives further updates on completed Internal Audit reports at future meetings, and continues to focus its attention on audit reports with the audit opinion of either “Major Improvement Needed” or “Unsatisfactory”.
