This document sets out Surrey County Council’s DRAFT admission arrangements for Community and Voluntary Controlled schools for September 2013.

1. The Proposed Published Admission Numbers for Surrey’s Community and Voluntary Controlled schools for 2013 admission are set out in ANNEX 2.

2. Applications for admission at the normal intake will be managed in accordance with Surrey’s coordinated schemes on primary and secondary admission. Please see Surrey’s coordinated schemes at ANNEX 10 for further details regarding applications, processing, offers, late applications, post-offer and waiting lists.

3. Applications for Reception and Junior school must be made by 15 January 2013. Places at Surrey primary schools will be offered on the basis of the preferences that are shown on the application form. Parents will be asked to rank up to three preferences and these will be considered under an equal preference system.

4. Applications for Secondary school must be made by 31 October 2012. Places at Surrey secondary schools will be offered on the basis of the preferences that are shown on the application form. Parents will be asked to rank up to six preferences and these will be considered under an equal preference system.

5. The admission arrangements for September 2013 for the majority of Surrey’s Community and Voluntary Controlled schools are set out in Section 7 below. Where there are local variations these are set out by area and by school in Section 8.

6. Children with a Statement of Special Educational Needs that names a school will be allocated a place before other applicants are considered. In this way, the number of places available will be reduced by the number of children with a statement that has named the school.

7. Other than for schools listed in Section 8, when a Community or Voluntary Controlled school is over-subscribed for any year group, applications for entry in 2013/2014 will be ranked in the following order:
i) **First priority: Looked After Children**  
See Section 9 for further information relating to Looked After Children.

ii) **Second priority: Exceptional Social/Medical need**  
See Section 10 for further information relating to exceptional arrangements.

iii) **Third priority: Children who will have a sibling at the school or at an infant/junior school on a shared/adjoining site at the time of the child’s admission**  
See ANNEX 3 for schools that will be treated as being on adjoining or shared sites for the purpose of this criterion. See Section 11 for further information relating to siblings.

If within this category there are more applicants than places available, any remaining places will be offered to applicants who meet this criterion on the basis of proximity of the child’s home address to the school (please see paragraph v).

iv) **Fourth priority: children for whom the school is the nearest to their home address**  
A list of the Academies and Foundation, Trust and Voluntary Aided schools that are considered to admit local children and the out of county schools that will not be considered to admit local Surrey children can be seen at ANNEX 4. See Section 12 for further information on the definition of nearest school. See Section 13 for further information on the definition of home address.

If within this category there are more applicants than places available, any remaining places will be offered to applicants who meet this criterion on the basis of proximity of the child's home address to the school (please see paragraph v).

v) **Fifth priority: any other applicant**  
Remaining places will be offered on the basis of nearness to the school measured in a straight line from the address point of the pupil’s house, as set by Ordnance Survey to the nearest school gate for pupils to use. This is calculated using the Admission and Transport team’s Geographical Information System. See Section 13 for further information on the definition of home address.

Where two or more children share a priority for a place, e.g. where two children live equidistant from a school and only one place remains, Surrey County Council will draw lots to determine which child should be given priority.

9. Looked After Children

Within the admission arrangements for all Community and Voluntary Controlled schools Looked After Children will receive the top priority for a place. Looked After Children will be considered to be:

- children who are registered as being in the care of a Local Authority in accordance with Section 22 of the Children Act 1989(a), e.g fostered or living in a children’s home, at the time an application for a school is made; and
- Children who have left care through adoption, a residence order or special guardianship order.

Places will be allocated under this criterion when places are first offered at a school and the Local Authority may also ask schools to admit over their Published Admission Number at other times under this criterion.

10. Exceptional Social/Medical need

Occasionally there will be a very small number of children for whom exceptional social or medical circumstances will apply which will warrant a placement at a particular school. Supporting evidence from a professional is required such as a doctor and/or consultant for medical cases or a social worker, health visitor, housing officer, the police or probation officer for other social circumstances. This evidence must confirm the circumstances of the case and must set out why the child should attend a particular school and why no other school could meet the child’s needs.

Providing evidence does not guarantee that a child will be given priority at a particular school and in each case a decision will be made based on the merits of the case and whether the evidence demonstrates that a placement should be made at one particular school above any other.
Places may be allocated under this criterion when places are first offered at a school and the Local Authority may also ask schools to admit over their Published Admission Number at other times under this criterion.

11. Siblings for Community and Voluntary Controlled schools

A sibling will be considered to be a brother or sister (that is, another child of the same parents, whether living at the same address or not), a half-brother or half-sister or a step-brother or step-sister or an adoptive or foster sibling, living at the same address.

A child will be given sibling priority if they have a sibling at the school concerned at the time of the child’s admission. For the initial intake to the school a child will be given priority for admission only if their sibling will still be at the school in September 2013 or he/she will have a sibling at an infant/junior school on a shared/adjoining site in September 2013. See ANNEX 3 for schools that will be treated as being on adjoining or shared sites for the purpose of the sibling criterion. This will apply both at the initial allocation of places and also when prioritising the waiting list. Giving sibling priority has the effect of maximising the opportunity for children in the same family to be educated at the same school or at a school on a shared or adjoining site.

At the initial allocation, when a parent is applying for both a Reception and a Junior school place, neither child will be treated as a sibling under the sibling criterion until after the offer day. At that time, if a place has been offered to only one child, the waiting list position for the other child will be adjusted to reflect the fact that they expect to have a sibling in the school or a school on a shared or adjoining site at the time of admission.

Where a sibling is in Year 11 or Year 12 at a school that has a sixth form at the time of an application for a younger child to start year 7 in September 2013, they will be deemed as being in the school at the time of admission, unless the parent has specifically expressed that they will not be continuing in to the following academic year.

12. Nearest School

The nearest school within the admission arrangements for Community and Voluntary Controlled schools is defined as the school closest to the home address with a published admission number for pupils of the appropriate age-range, as measured by a straight line and which admits local children. The nearest school may be inside or outside the county boundary. Under this criterion all Surrey Community and Voluntary Controlled schools are considered to admit local children. A list of the Academies and Foundation, Trust and Voluntary Aided schools that are considered to admit local children and the out of county schools that will not be considered to admit local Surrey children can be seen at ANNEX 4.

13. Home Address

Within the admission arrangements for Community and Voluntary Controlled schools the child’s home address excludes any business, relative’s or childminder’s address and must be the child’s normal place of residence. In the case of formal equal shared
custody it is the address of the parent who claims Child Benefit for the child. In other cases it is where the child spends most of the time. All distances will be measured by the computerised Geographical Information System maintained by Surrey’s Admissions and Transport team.

The address to be used for the initial allocation of places to Reception, Year 3 and Year 7 will be the child’s address at the closing date for application. Changes of address may be considered in accordance with Surrey’s Coordinated Schemes if there are exceptional reasons behind the change, such as if a family has just moved to the area. The address to be used for waiting lists, after the initial allocation, will be the child’s current address. Any offer of a place on the basis of address is conditional upon the child living at the appropriate address on the relevant date. Parents have a responsibility to notify Surrey County Council of any change of address.

14. **Tie Breaker and the admission of twins, triplets, other multiple births or siblings born in the same academic year**

Where two or more children share a priority for a place when using distance as a tie breaker, e.g. where two children live equidistant from a school and only one place remains, Surrey County Council will draw lots to determine which child should be given priority.

In the case of multiple births or siblings born in the same academic year, where only one place remains the parents will be asked to decide which child will be offered a place. The remaining sibling(s) will be placed at the top of the waiting list.

15. **Waiting lists**

Where there are more applicants than places available, waiting lists will operate for each year group according to the oversubscription criteria shown for each school above and without regard to the date the application was received or when a child’s name was added to the waiting list.

Waiting lists for the initial intake to each Community and Voluntary Controlled school will be maintained until the last day of the Autumn term when they will be cancelled. Parents wishing to remain on the waiting list after this date must write to Surrey County Council by 31 December 2013, stating their wish and providing their child’s name, date of birth and the name of their child’s current school. After 31 December 2013, parents whose children are not already on the waiting list but who wish them to be so must apply for in-year admission through their Home Local Authority.

Waiting lists for all year groups will be cancelled at the end of each academic year.

16. **In-year admissions**

The following applications will be treated as in-year admissions:

- applications after 1 September 2013, for admission to Reception
- applications after 1 September 2013, for admission to Year 3
- applications after 1 September 2013, for admission to Year 7
- all applications for admission to Years 1 to 6 and 8 to 11
Applications for Surrey’s Community and Voluntary Controlled schools must be made to the Local Authority on Surrey’s common application form. Where there are more applications than places available, each application will be ranked in accordance with the published oversubscription criteria for each school.

17. Starting school

The Community and Voluntary Controlled infant and primary schools in Surrey have a single intake into Reception. All children whose date of birth falls between 1 September 2008 and 31 August 2009 will be eligible to apply for a full time place in Reception at a Surrey school for September 2013. Parents may request to defer their child’s entry to Reception until later in the school year, but this will not be agreed beyond the beginning of the term after the child’s fifth birthday, nor beyond the academic year for which the original application was accepted. Parents may also request for their child to start part time until their child reaches statutory school age.

18. Sixth Form Admissions

The following Community and Voluntary Controlled schools have sixth forms:
- The Ashcombe School
- Therfield School
- Oxted School
- Warlingham School

Internal Students
Each school will welcome applications from internal students who will have attended year 11 of the school during the 2012/13 academic year.

External Students
Each school will also accept applications for entry to the sixth form from external applicants. The Published Admission Number for external applicants for entry to Year 12 in September 2013 will be 15 for each school, but more places may be available subject to the take up by internal applicants. Acceptance onto a programme of subjects/courses is subject to a student having achieved the entry requirements. Students should refer to each school’s Sixth Form Prospectus for the individual subject requirements. Individual subjects may be limited in the number of students they can accommodate.

Should applications from suitably qualified external students exceed the number of places available, the following oversubscription criteria will apply:

1. Looked After Children
2. Exceptional arrangements
3. Other applicants on the basis of nearness to the school, measured in a straight line from the address point of the pupil’s house, as set by Ordnance Survey, to the nearest school gate for pupils to use. This is calculated using the Admission and Transport team’s Geographical Information System.
