Elmbridge Community Safety Strategy 2005/8
Action Plan – Year Three (2007/8)

Objective	Actions	Comments	Target/Outcome	Lead	Status
ANTI SOCIAL BEHAVIOUR (ASB) & REASSURANCE					
Tackle Environmental Crime	Ensure that graffiti is removed within agreed timescales.		Significant and offensive graffiti is removed within 2 working days. The rest within 7 calendar days.	Environmental Care EBC	
	Creation of a graffiti data base to enable Partner agencies to interrogate the system for linked incidents.		Provide the JAG with information to target resources effectively, leading to identification of suspects or reductions in incidents.	Environmental Care EBC	
	Ensure that fly tipping is investigated within agreed timescales and that action is promoted to reduce overall incidents.		All fly tipping reports are investigated within 3 working days.	Environmental Care EBC	

	Ensure that abandoned vehicles are investigated and removed within agreed timescales.		All reports of abandoned vehicles are investigated within 1 working day and 50% of those identified for further action removed within two working days.	Environmental Care EBC	
	Ensure that FPN's are issued on all cases of environmental nuisance where evidence is provided by accredited staff, police and Partner agencies.		Number of cases referred and number of FPN's resulting.	Environmental Care EBC/Surrey Police/ Surrey F&RS	
Tackle ASB and nuisance behaviour (in particular by young people)	Identify individuals and undertake agree targeted interventions through CIAG and the North Surrey Prevention Project.		4 referrals to CIAG per quarter. 4 referrals to YJS North Surrey Prevention Project.	Youth Offending Team CIAG Chair	
	Use of the Door UK – Youth Crime Solutions to provide interactive sessions to high schools and colleges and targeted groups of young people.		Deliver ten sessions in 2007/8.		
	To establish and promote a Youth Café in Walton.		Number of hours in operation and number of young people making use. Reduced incidents of anti social behaviour.	Leisure & Culture	
	Use of a supported ABC programme and clinics.		To successfully complete 60% of supported ABC's without breaches.	Community Safety Sergeant	

	Promote the referral of neighbour disputes to North Surrey Mediation Service.		Number of cases during 2007	CIAG & JAG Chairs Police	
	Make use of ASBOs where appropriate and agree with partners through CIAG process.		Monitor all ASBO's and ensure that all breaches are followed up with action and support.	ASBO Case Builder	
Identify repeat locations for environmental crimes via JAG and target for interventions	Deploy covert CCTV at suitable location to identify suspects and secure evidence/intelligence.		12 deployments identified by Surrey Police and JAG with outcomes monitored by JAG.	Surrey Police, EBC	
Monitor repeat locations where alcohol is being consumed in public in breach of Section 13 DPPO's via JAG	Record and monitor number of seizures in S13 areas.		157 seizures per year	JAG, Police	
Reduce the fear of crime within our communities (overall outcome measured via Citizen's Panel)	Promote the work of the partnership through regular good news stories.		5 press releases per quarter	Community Safety Partnership Officer	
	Ensure effective deployment of the Mobile CCTV Van in high risk areas.		6 deployments during 2006/7	JAG Chair	
	Hold regular roadshows in the Borough together with partners – handing out leaflets, giveaways and offering general advice.		1 per quarter	Surrey Police/ CSPO/SF&RS	

	Reduce the fear of crime for retired people by facilitating access to NSOs/PSCOs and Fire Officers via Day Centre Surgeries.		20 per year		Surrey Police/SF&RS	
Promote a sense of ownership by encouraging our communities to increase the level of community reporting and involvement	Utilise the Youth offending Team and the Probation Reparation Schemes within Elmbridge and seek community involvement in nominating projects. Work with local Registered Social Landlords to encourage environmental improvements.		2 projects per quarter		EBC/CSPO JAG	
	Under the umbrella of Kick Out Graffiti host clean ups of hot spot areas in the Borough undertaken by volunteers and promote community involvement.		2 per year		Surrey Police/ CPSO/EBC	
	Use the Citizen Panel to measure how engaged our communities feel in decision making and measure the fear of crime.				EBC	

	Introduce an on-line reporting system (hosted by EBC) to increase reporting of incidents by public to partner agencies.		System in place by September 2007		CSPO	
	Promote engagement and involvement initiatives (e.g. neighbourhood panels, graffiti removal kits, Speed watch deployments etc).		<ul style="list-style-type: none"> • Number of panel meeting held quarterly. • Level of use of graffiti removal kits • Speed watch deployments 		Surrey Police Environmental Care Surrey Police	
	Use of Residents' Association and NHW database to circulate messages.		2 per quarter		Surrey Police/CSPM	
Promote closer working between partners to tackle all forms of ASB	Promote increased working between the PCSOs, Neighbourhood Wardens, EBC officers and SCC officers.		12 targeted deployments or joint patrols made during the year		JAG Chair	
	Attend the Borough working group to deal with issues of ASB and look at youth diversion activities		1 per quarter		CSPO/EBC	
	Use the County ASB Forum to liaise with other partners, link up resources, identify available interventions and share best practice		1 per quarter		CSPO/EBC	
	Review and roll out the Community Safety Accreditation Scheme across the Borough.				Police/EBC	

ARSON

<p>ARSON REDUCTION</p>	<p>We will aim to reduce the overall number of Arson fires within Elmbridge.</p>		<p>May - Esher We will target the issues surrounding waste management. Each watch will be assigned an area of the station ground to communicate our message of how to avoid their business being targeted by arsonists. A letter will be issued to businesses within our station area giving advice for example on regular collection of refuse from wheelie bins outside their Premises. National and local Arson Reduction leaflets will be ordered and distributed.</p> <p>May & June - Walton Target property arson awareness (FDR1).</p>		
-------------------------------	--	--	---	--	--

			<p>July & January 2008 - Walton Elmbridge Borough school arson reduction pack to all schools within Elmbridge and complete visits to all schools within Walton.</p> <p>August - Esher and Painshill We will target issues surrounding Fires on heath and common land, working in partnership with the Forestry Commission. We will be very proactive in the problem areas at peak times.</p>		
--	--	--	--	--	--

			<p>September & October – Walton and Painshill Carry out leaflet/poster campaign for refuse bins - Education initiative to reduce refuses bin fires.</p> <p>Increase working relationships with outside agencies e.g. Environmental care and local Police (throughout the year).</p> <p>November & February 2008 - Walton Target vulnerable business arson premises through education and enforcement</p> <p>March 2008 - Esher We aim to Reduce Hoax calls by working in close liaison with Surrey Police. We will concentrate on educating school children about the consequences and effects of such calls</p>		
--	--	--	---	--	--

			<p>Walton In conjunction with the Arson Task Force we will produce a leaflet for private dwellings regarding the links that graffiti have with Arson attacks. In tandem with the leaflet a patrolling format will be introduced that will be methodical in approach. The areas that we will do reassurance patrols will be identified risk areas from our own statistics and also from information received through Elmbridge Joint Action Group meetings. A Reassurance log sheet will be placed in each of the Fire cars so to enable personnel doing the Reassurance to log any findings or incidents as they patrol areas.</p>		
--	--	--	--	--	--

ROAD TRAFFIC COLLISIONS

<p>ROAD TRAFFIC COLLISIONS REDUCTION</p>	<p>We will aim to reduce the overall number of Road Traffic Collisions.</p>		<p>Esher We plan to develop our Child Car Seat project. In 2006 we concentrated on training and testing our principles. This year we will further develop the project by taking our knowledge and skills, and targeting specific groups, e.g. National Childbirth Trust classes, and parent and toddler groups. We plan to involve Walton and Painshill to expand our work, and demonstrate the good work that can be achieved.</p> <p>April - Walton Driver Tiredness - initiative and campaign prior to the Easter weekend, when people initially start taking longer journeys on the road.</p>		
---	---	--	--	--	--

			<p>June – Esher, Painshill, Walton We will be promoting Safe Drive, Stay Alive, educating the responsible persons at local sixth form colleges, demonstrating the key benefits of the scheme.</p> <p>August – Walton and Painshill We will run an initiative around Drink Driving and Drugs this will be our Summer Campaign.</p> <p>September - Esher We will coincide our project with the Services joint safety campaign, all watches will be involved in leaflet drops and poster drops to relevant local business's, schools and public areas. We will also promote our car seat checking, a year on from the introduction of the new laws remind people of the law through a press release.</p>		
--	--	--	--	--	--

			<p>December – Walton and Painshill We will run an initiative around the Get a Lift/ Drink Driving campaign.</p> <p>February/March 2008 – Painshill and Walton We will run an initiative around distractions, mobile phones usage and children not strapped into cars properly.</p>	Fire	
ACCIDENTAL DWELLING FIRE REDUCTION	Analyse the at risk groups in the Borough and tailor campaigns and Home Fire Risk Checks to target those identified groups.		We aim to complete our target of 550 Home Fire Risk Checks in the 2007/08 year.	Fire	
OTHER	Deliver a range of specialist schemes for young people at risk of committing arson and associated crime types.		<p>4 Youth Engagement Schemes</p> <p>2 For a Day Courses</p> <p>2 First Gear Courses</p> <p>Use our station at Walton to facilitate the Junior citizens course and deliver some content of the course.</p>	Fire	
	Establish a system to notify local resident groups about Arson Witness Appeal Notices that have been put up in their communities following an Arson.		Number of incidents circulated	Fire/CSPM
