Plans for Walton on Thames controlled parking scheme Invitation to exhibitions 10 - 15 July

In September 2007 Surrey County Council consulted residents and businesses in the local area, including your road, about parking issues they were facing in particular following redevelopment of Walton town centre. This consultation was in response to the concerns raised. The results of the consultation, plus on-street assessments, have been used to draw-up a comprehensive plan to control parking in the area.

As the plan is too large to distribute with this leaflet, you are invited view it as follows, where you can tell us what you think. The plan will also be published on-line at www.surreycc.gov.uk.

Exhibition with a plan of the area and feedback forms. Project staff will be present to answer questions.	Covered Shopping Mall The Heart of Walton Shopping Centre New Zealand Avenue Walton on Thames Surrey KT12 1GH	Friday 10 July 2009 10am – 6pm Saturday 11 July 2009 10am – 4pm
Un-manned exhibition with plan of the area and feedback forms	Walton Public Library (above Debenhams) in the Ember Room 54 The Heart (off Hepworth Way) Walton on Thames Surrey KT12 1GH	Sunday 12 July 2009 11am – 5pm Monday 13 July 2009 9am – 6pm Tuesday 14 July 2009 9am – 7pm Wednesday 15 July 2009 9am – 5pm

After the exhibitions we will consider all comments received and refine the proposals where necessary. We will let you know about any changes in another letter, then publish the required Traffic Regulation Order. Any formal objections to the scheme will be considered at this stage. We hope to start putting the scheme in place later this year and you can find out more at the exhibitions.

There is no need to tell us you are coming, but if you have any questions about the exhibitions, please email Jennie Leggatt at jennie.leggatt@jacobs.com

Kindly note that we will not be able to reply in writing to comments made via the exhibition feedback forms. If you have any detailed queries about any aspects of the scheme, or anything else not directly related to the scheme itself, please send them to Surrey Highways, Parking Services, Room 308a, County Hall, Penrhyn Road, Kingston KT1 2DW, or email parking@surreycc.gov.uk.

What you say counts so please come and tell us what you think.

This information is available in other formats on request.
