15 September 2008**

**PETITION :**

**The state of the road, footway and kerbside in The Grange, Worcester Park by Mrs L Ford and residents of The Grange**

**Officer Response:**

Following receipt of this petition a meeting has taken place between residents of The Grange, Surrey Highways and Epsom and Ewell Environmental Services. At the meeting it was agreed that Surrey Highways Community Gang in Epsom and Ewell would carry out some repairs to kerb stones, areas of footway and some of the drop kerb vehicle cross overs in The Grange. This work will take place by the end of October. In addition Surrey Highways will investigate improving the lantern on the existing lamp column on the island in The Grange.

It was also agreed at the meeting that Epsom and Ewell Borough would look into providing and maintaining a tree on the grassed island subject to funding. If funding were not available then the resident would be able to pay for a tree on the island. Epsom and Ewell also agreed to increase the frequency of grass cutting in The Grange.
