

**INFORMAL PUBLIC QUESTIONS
LOCAL COMMITTEE MEETING 13 JULY 2009**

The matters raised are summarised below. This summary does not form part of the formal minutes of the meeting.

- 1. Mrs D Coman [Epsom]**
Mrs Coman asked what progress had been made to change the Council's recording systems for road repairs so that re-repairs can be monitored. The Local Highways Manager responded that there is a system by phoning the SCC or going through the website. Mrs Coman asked for a road repair in Downs Hill Road to be inspected as it looked below standard. The Local Highways Manager will look into this. Mrs Coman also requested that the Local Committee request that SCC's undertake a review of the Highways contractor. Her request was noted.
- 2. Mr M Thompson [Epsom]**
He advised that nothing had been completed in Dirdene Gardens recently although reported as completed in January 2009. The Local Highways Manager will look into this.
- 3. Mr D Royle**
Mr Royle was concerned about the state of the bus services, and wanted improvements to public transport in Epsom. Mr Royle was advised that an officer would respond to him by email after the meeting.
- 4. Mr B Slaughter [Stoneleigh]**
Mr Slaughter was concerned that the work has still not been completed in Chessington Road at the junction of Chessington Close. The Local Highways Officer agreed to visit this road with C Cllr Jan Mason and discuss further.
- 5. Mr B Slaughter**
Mr Slaughter requested an update on the incorrect siting of an Advance Direction Sign on the London Road in Ewell at the junction with Elmwood Drive. Cllr David Wood agreed to take this up with the relevant Highways Officer and liaise with Mr Slaughter.
- 6. Mr D Cooper [Epsom]**
Mr Cooper expressed his concern in regard to the proposed parking limits in Downs Hill Road as the residents want staggered parking with gaps both sides to restrict speeding, maximise passing in both directions and prevention of driving on the pavements. C Cllr Chris Frost agreed to discuss this issue with the Local Highways Manager.
- 7. Mr C Harris [Epsom]**
Mr Harris supported Mr Cooper's views above.
- 8. Mr C Wing [Ewell]**
Mr Wing reported the condition of the road surfaces in The Parade, West Street and Middle Lane in Ewell. The Local Highways Manager agreed to look at these roads.

- 9. Mrs Gollop and Mrs Moyse [Ewell]**
Concern in regard to the parking situation in Stane Way.
- 10. Mr K Lugton [Nonsuch]**
Cheam Road sign on the bridge regarding height restriction– he requested an update from the Local Highways Manager, which he provided.
- 11. Mrs Whatley [Ewell]**
Cyclists mounting the pavements and cycling on them. The Local Highways Manager advised that this is a Police matter.
- 12. Mrs L Woolnough, [Ewell]**
Street Lighting in Ewell Village and concern that these lights are not been repaired. C Cllr Eber Kington advised he will work on addressing these issues.
- 13. Residents from Rosebank, Epsom**
Concern were raised by residents re parking in Rosebank. The Local Committee will be discussing waiting restrictions, and a parking management strategy at a future meeting and appreciate the problems the local residents have. .
