To implement a new contraception distribution scheme in the Borough.</p>	<p>Curriculum time football was run at Linden Bridge for 7 weeks. An MLD Football Team was entered into the Surrey Youth Games and contact details of local football clubs were provided to each player to encourage further activity. A</p> <p>Still waiting for contracts from MEND to gain funding for young people to participate in the obesity MEND scheme. Also waiting on the outcome of a funding bid to Awards for All in partnership with the CVS for a family cycling initiative. The LGAC supported activities at Nonsuch Park Awareness Day in Sept to encourage young people to get involved in cycling, running and bmxing. BS</p> <p>5 Young People have taken part in the first 6 sessions, there are 2 remaining sessions for the young people to attend where work on their final product will begin, and the project can be evaluated. SYDS have continued to provide support with the venue and a Youth Worker for the sessions. A session at Lintons has also been arranged to look at Healthy Lifestyle promotional materials being developed for countywide use by SYDS – any leaflet developed as part of the Myth busters project could also be considered for countywide distribution. 2. Improve family safety, child protection and prevention	<p>Attendance at MARAC</p> <p>EEBC Corporate Policy for child protection with internal group having representation from HR, Leisure, Venues, Park Rangers, Vol. Org liaison, Housing and Benefits.</p> <p>To provide support to clubs to achieve accreditation through the Epsom & Ewell Child Protection Scheme.</p> <p>Review the arrangements that support children & young people</p>	<p>EEBC, Schools and SCC Children's Service (local team).</p> <p>EEBC / local clubs & SCC Children's Service (local team).</p> <p>EEBC / SCC Children's Service (local team) /</p>	<p>Review effectiveness of current information sharing, and build communication across those involved with MARAC</p> <p>Ensure EEBC meets Children Act duties.</p> <p>Increase the number of local clubs accredited through the Epsom & Ewell Child Protection Scheme</p> <p>Review the current arrangements and implement improved support for children</p>	<p>EEBC's Housing Operations Manager regularly attends MARAC and is currently working along with the rest of the Housing Needs Managers in Surrey, on an information sharing protocol with Children's Services. No further update from Housing at Quarter 2.</p> <p>The Manager or Assistant Manager of the Epsom and Ewell Locality Team (Surrey Children's Service) also attends all MARAC meetings involving children in the area. OT</p> <p>The Champions Group is still meeting regularly. Section 11 Audit self assessment to be completed during Q3.</p> <p>The Epsom and Ewell Locality Team (SCS) will undertake risk assessments on cases referred through the Contact Centre where there are child protection concerns. Team Family Support Workers will also link with other professionals to support them in using the CAF to identify additional needs. OT</p> <p>1 more club has signed up to the Council SACP scheme, bringing the number to 33. PA</p> <p>The Epsom and Ewell Locality Team (SCS) work alongside other NE teams to provide a group for adult victims of domestic abuse, and a support group for</p>

The groups run termly at Spelthorne. EEBC's Housing department are aware of the need to ensure support is available for children and young people experiencing domestic abuse and in addition to our statutory safeguarding duties, are also making referrals to Relate who have both specialist mediation and counselling services for young people – <i>Relate-Teen</i>. The North Surrey Domestic Abuse Outreach worker is also able to support children experiencing domestic abuse. No further update from Housing at Quarter 2. PA</p> <p>Epsom Primary Children's Centre is due to open in October 09. The two Family Support Workers in Epsom and Ewell Locality Team have made links with Riverview, Epsom Primary and St. Martins Children's Centres. OT</p> <p>CAF training was delivered to RHA front line staff in April 09. All EEBC housing staff also trained in CAF in April 09. Referrals are already being made through this route. No update from Rosebery or EEBC housing for quarter 2. OT</p> <p>The Epsom and Ewell Locality Team (SCS) are now working with Karen Yeeles, (CAF Implementation Manager) to offer local agencies opportunities to improve their understanding and use of the CAF process. They are planning to run monthly surgeries for practitioners to support them through the CAF process. OT</p>

	address these.		<p>More and better early intervention and preventative services within the Borough</p> <p>Identify major vulnerabilities and risks for families in the Borough, and develop action plan, e.g. housing.</p>	<p>The Locality Team are reducing the number of cases they are dealing with in order to address the overload on Social Workers. The eligibility criteria have been tightened so that only cases where there is an identified risk to a child's welfare will be accepted in the Contact Centre. Agencies engaged in Targeted Youth Support will now be required to be caseholders rather than have a Social Worker. Other independent and voluntary organisations will need to adapt to the increasing social care and welfare work, by using the CAF to assess and commission services. ?</p> <p>Teenage Parents Floating Support service delivered by In Touch launched in Epsom, Ewell and Mole Valley in July 2009. Leisure Developments sponsored event and provided information for the back page of their programme. 21 schools from infant, primary and secondary schools participated. A</p> <p>Still exploring possible external funding to continue with the project. The project has been running smoothly apart from a racism incident, which occurred over the summer. This will be addressed in the forthcoming months with support from Fulham FC. SYDS staff have supported Longmedz Kickn project by promoting it to young people and by attending delivery sessions when available. OT</p> <p>Funding was secured so that the Easter CM programme ran as planned. Participation levels recorded for Easter 2009 increased by 50% compared to Easter 2008. CM programme summer –09 involved 79 young people and they earned 310 hours of merits. A</p> <p>Details of Community Merits Scheme were included within the EEBC 2009 Summer Holiday Listing. Publicity material was also provided to local clubs & libraries and an article featured in the local paper. Agreed with Mark Roberts (SYDS) that Ruxley Community Partnership Newsletter would be delivered by Community Merits young people to all properties on the Estate. However, it was not possible for this to happen as Community Merits took place in the summer and the newsletter was produced at the end of September. PA</p>

This was alongside students from the UCA and officers at EEBC. Sam and Louise are in discussions regarding launching a similar scheme for schools with the children developing a winning design and painting another ramp. Sam has collected a number of details from young people interested in the ‘Protect my Space’ campaign. She is now in talks with the youth PCSO to establish how they can support the project before she officially launches it. Sam has met with the YES team to ensure that we get our allotted numbers and young people are continuing to be referred through the NPG. OT</p> <p>Issues regarding information sharing are now being progressed via Andrew Eperson through the North East Children's and Young People's alliance. BS</p> <p>Having been successful with the PAYP bid for the 'Hangin About' project, the sports van targeted parks and green areas across the Borough arriving at allotted times throughout the school holiday. The van was driven by two sports coaches across 6 weeks throughout the Summer holidays. The project was a success with over 180 young people engaging with the project although the majority of participants were U12 yrs. Evaluations are currently being completed and the project will look to be replicated in October half term at the Harrier Centre as an early prevention method for ASB. This time there will be a charge attached. PA</p>
