

Guildford Prevention and Protection Plan

Service Priority Area	Aim	Area Lead				
Reduction in number and severity of Accidental Dwelling Fires (ADF)	Targeted community safety work to reduce the risk in people's homes and limit the impacts of fire on the community	Borough Manager				
Narrative	Objective	Objective Lead	Performance Indicator	Output		Strategic Outcomes
				Target	Actual	
<p>Free Home Fire Risk Checks (HFRC) provide an opportunity for service personnel to visit residents within the borough of Guildford, providing tailored home fire safety advice, appropriate to the individual residents specific domestic risks.</p> <p>Our targeted campaigns will ensure that we visit the most vulnerable members of the community to ensure the risk of fire is reduced and that they are safer in their homes.</p>	<p>We will carry out 2 targeted campaigns in the locations detailed below. 80% of the targeted premises will include 'high-risk' properties:</p> <ul style="list-style-type: none"> ▪ Westborough ▪ Bushy Hill ▪ [Enter Location & Date] ▪ [Enter Location & Date] 	<p>WM Miller</p> <p>Ff Edwards CM Moran</p> <p>Ff Cubit Ff Pinto</p> <p>[Insert Individual(s) Name]</p> <p>[Insert Individual(s) Name]</p>	<p>BVPI 142ii – Number of primary fires (Annual Target [Insert Annual Target])</p> <p>BVPI 142iii – Number of accidental fires in dwellings (ADF) (Annual Target [Insert Annual Target])</p>	<p>80</p> <p>80</p> <p>[Insert Number]</p> <p>[Insert Number]</p>	<p>Sustainable Community Strategy (SCS) – Children & Young People (Priority B): Improve the safeguarding of Surrey's most vulnerable children and young people.</p> <p>SCS – Health & Well-being (Priority B): Promote healthy lifestyles, particularly targeting the most vulnerable.</p>	

<p>People are more aware of the dangers of fire when one has recently occurred in their neighbourhood. We will use this unfortunate event to give targeted fire safety advice through a 'Hot Strike' based response, enabling us to reduce the likelihood of other local residents suffering from a similar fire.</p>	<p>Carry out a 'Hot Strike' campaign, consisting of a minimum of 25 targeted premises, following every domestic dwelling fire in the borough, where appropriate.</p>	Ff R Mitchell	<p>BVPI 143ii – Number of injuries arising from ADFs (Annual Target [Insert Annual Target]) BVPI 144 – Number of ADFs confined to room of origin (Annual Target [Insert Annual Target]) NI 33 – Arson incidents NI 49 – Number of primary fires and related fatalities and non-fatal casualties, excluding precautionary checks NI 4 – Percentage of people who feel they can influence decisions in their locality</p>	1 'Hot Strike' per dwelling fire		<p>SCS – Health & Well-being (Priority C): Support more people to live independently and to exercise greater choice over their health and support arrangements. SCS – Housing, Infrastructure and Environment (Priority G): Help people in Surrey to achieve more sustainable lifestyles. SCS – Safer and Stronger Communities (Priority I): Improve public confidence in the ability of public services to keep Surrey safe, prepare for emergencies, and reduce crime and anti-social behaviour. SCS – Safer and Stronger Communities (Priority J): Strengthen local communities through targeted public and voluntary sector activity, active citizenships and work to tackle equalities.</p>
	<p>We will maintain a local, borough based record of completed 'Hot Strike' campaigns, detailing the targeted premises and any subsequent Home Fire Risk Check (HFRC)/fire safety advice requests.</p>	Ff R Mitchell		1 complete local record		
<p>Where required we will develop meaningful and effective partnerships that enable us to reach, educate and ultimately improve the safety and welfare amongst those members of our community whom we, or our partners, consider to be at a higher risk.</p>	<p>We will work with the following local partners to provide fire safety advice via our HFRC service; the fire safety advice will either be delivered by ourselves or our partners on our behalf:</p> <ul style="list-style-type: none"> ▪ Services for Families ▪ PCSO's Guildford 	<p>Ff Uwins Ff Smith</p>	<p>10 10</p>			

<p>We will support additional requests for home fire risk checks, generated as a result of completed local, service and National campaigns.</p>	<p>We will carry out a Home Fire Risk Check (HFRC) upon each adhoc request, following a locally applied risk based priority process, as soon as reasonably possible.</p>	<p>Ff K Mitchell</p>	<p>NI 5 – Overall/general satisfaction with local area NI 7 – Environment for a thriving third sector</p>	<p>120</p>		<p>Local Area Agreement (LAA) Priorities – Safer and Stronger Communities: NI 4, 5, 7 and 141.</p>
<p>These requests will be completed on a locally applied risk based priority process, ensuring that those residents/premises that need assistance/advice most are completed as soon as reasonably possible.</p>	<p>We will maintain a local, borough based record of completed HFRCs, whether as a result of targeted campaigns, through partnership working or as a result of adhoc requests, detailing the premise information and any subsequent outcomes.</p>	<p>Ff Root</p>	<p>NI 140 – Fair treatment by local services NI 141 – Number of vulnerable people achieving independent living NI 142 – Number of vulnerable people who are supported to maintain independent living IRMP Returns – FP 1-4 & OP1</p>	<p>1 complete local record</p>		<p>Customer and Communities Directorate Strategy. Surrey County Council (SCC) Corporate Plan 2009-2013. Public Safety Plan (PSP) – Improvement Programme 2 – Reducing Preventable Incidents. PSP – Improvement Programme 8 – Information Management. Equality and Diversity (E&D) Strategy 2008-2011. Training and Development (T&D) Strategy 2006-2010. Service Plan (SP): Objectives 1a, 2 (all) and 4 (all).</p>

Service Priority Area	Aim	Area Lead				
Reduction in number of Road Traffic Collisions (RTC)	Targeted work to reduce the number and risk of road traffic collisions and the number of associated injuries	Borough Manager				
Narrative	Initiative	Initiative Lead	Performance Indicator	Output		Strategic Outcomes
				Target	Actual	
The people of Surrey are more likely to be killed or injured on our roads than they are from any involvement with fire. Surrey Fire and Rescue Service can help reduce RTCs through targeted education and prevention work.	We will ensure that one of the themes of the Guildford Open Day (County Show) is in relation to RTC reduction.	WM Roberts	NI 5 – Overall/general satisfaction with local area	1		SCS – Housing, Infrastructure and Environment (Priority G): Help people in Surrey to achieve more sustainable lifestyles. SCS – Safer and Stronger Communities (Priority I): Improve public confidence in the ability of public services to keep Surrey safe, prepare for emergencies, and reduce crime and anti-social behaviour. SCS – Safer and Stronger Communities (Priority J): Strengthen local communities through targeted public and voluntary sector activity, active citizenships and work to tackle equalities.
	We will practically demonstrate our role at RTCs, along with providing associated advice on driving safety, at the following events: <ul style="list-style-type: none"> ▪ REEDS event ▪ PAD's TBA ▪ Guildford CS Partnership "Speedwatch" 	CM Harrison Ff Panton Ff Neizer	NI 47 – People killed or seriously injured in road traffic accidents NI 48 – Children killed or seriously injured in road traffic accidents NI 70 – Reduce emergency hospital admissions caused by unintentional and deliberate injuries to children and young people	1	4	

<p>Supporting service and joint countywide campaigns will help raise awareness and reduce the number and impact of RTCs when they occur.</p> <p>Through our partners, i.e. the police and other agencies who lead on RTC reduction priorities, we will help target RTC reduction relevant to our local need.</p> <p>For further information in relation to the Safe Drive Stay Alive events refer to the West Area Plan 2010-11.</p>	<p>We will support the following local events, targeting 16-24 year old car drivers, engaging in the areas of speed, distraction, seatbelts, impaired driving through drink/drugs and mobile phones:</p> <ul style="list-style-type: none"> ▪ Surrey University “Freshers Week” ▪ PAD’s TBA 	<p>Ff Jukes Ff Philipson Ff Silver</p>	<p>NI 140 – Fair treatment by local services IRMP Returns – FP1, 2, OP1& 6</p>	<p>1</p>	<p>LAA Priorities – Safer and Stronger Communities: NI 5. Customer and Communities Directorate Strategy. SCC Corporate Plan 2009-2013. PSP – Improvement Programme 2 – Reducing Preventable Incidents. PSP – Improvement Programme 8 – Information Management. E&D Strategy 2008-2011. T&D Strategy 2006-2010. SP: Objectives 1a, 2 (all) and 4 (all).</p>
	<p>We will support the service road safety community campaign to be held throughout the months of October to December 2010 by, as a minimum:</p> <ul style="list-style-type: none"> ▪ Undertaking a single community event. TBA ▪ Ensuring that the centrally provided station banner is displayed by the 15 October 2010 	<p>Ff Durrant Ff Holt</p>		<p>4</p>	

	We will support the Safe Drive Stay Alive (SDSA) events in April and November 2010 by ensuring that all schools and colleges, etc. with pupils within the 'target groups' are aware of the benefits of the event; particularly those that have not previously attended.	Ff Macdermott		1		
	We will support the Safe Drive Stay Alive (SDSA) events in April and November 2010 through the use of borough resources/personnel.	Ff Payne		1		
Training jointly with our partners will improve both the competency of our firefighters and the effectiveness of the overall response to any given RTC, ultimately improving the quality of the service we provide to the communities of Surrey, including those merely passing through our County.	<p>We will train jointly with Surrey police, in relation to our RTC procedures, techniques and skills, on the following occasions:</p> <ul style="list-style-type: none"> ▪ Guildford Fire Stn, dates TBA ▪ [Enter Name of Service, Location & Date] 	<p>Ff Maycock</p> <p>[Insert Individual(s) Name]</p>		4		[Insert Number]

Service Priority Area	Aim	Area Lead				
Reduction in number of Unwanted Calls	Targeted work to reduce the number of unwanted calls, including both Automatic Fire Alarm (AFA) and malicious calls	Borough Manager				
Narrative	Initiative	Initiative Lead	Performance Indicator	Output		Strategic Outcomes
				Target	Actual	
<p>The vast majority of calls to AFAs are subsequently proven not to have required an emergency response, i.e. as a result of steam, cooking, fumes, deliberate misuse of the system or poor design, often together with a lack of maintenance.</p> <p>Unnecessary activations can also result in the feeling of complacency amongst occupants of premises; with the subsequent potential of those individuals involvement should a fire incident occur.</p> <p>These AFA calls, along with malicious (hoax) calls, take front line services away from more essential work and can have a negative effect on both local business and community</p>	<p>We will monitor AFAs in Guildford identifying the top 'offending' premises. Once identified, we will work with the borough management team, particularly our Fire Safety Inspecting Officers, to ensure that these premises are targeted in line with service policy and hence reduce the number of AFAs.</p>	WM Gooding	<p>BVPI 146ii – Number of calls to malicious false alarms attended (Annual Target [Insert Annual Target])</p> <p>BVPI 149i – Number of false alarms caused by automatic fire detection (Annual Target [Insert Annual Target])</p>	[Insert Annual Borough AFA (BVPI 149i) Incident Number]		<p>SCS – Safer and Stronger Communities (Priority I): Improve public confidence in the ability of public services to keep Surrey safe, prepare for emergencies, and reduce crime and anti-social behaviour.</p>
	<p>We will monitor all malicious calls in Guildford identifying the top 'offending' locations/individuals. Where a problem is identified we will work with the borough management team and the Arson Task Force (ATF), to ensure that, in each instance, these premises/individuals are targeted in line with service policy and hence reduce the number of malicious calls.</p>	Ff Hobbs	<p>NI 4 – Percentage of people who feel they can influence decisions in their</p>	[Insert Annual Borough BVPI 146ii Incident Number]		<p>SCS – Safer and Stronger Communities (Priority J): Strengthen local communities through targeted public and voluntary sector activity, active citizenships and work to tackle equalities.</p> <p>LAA Priorities – Safer and Stronger Communities: NI 4, 5 and 21.</p>

continuity/cohesion.	We will work with the local press, etc. and service resources to produce media articles/presentations, subject to local need, linked to reducing AFAs and/or malicious calls.	WM Moulds	locality NI 5 – Overall/general satisfaction with local area	6		Customer and Communities Directorate Strategy. SCC Corporate Plan 2009-2013. 	Where necessary, we will work in partnership to facilitate a reduction of unwanted calls within a specific locations, i.e. <ul style="list-style-type: none"> ▪ Royal Surrey County Hospital ▪ Surrey University 	CM Lerner	NI 21 – Dealing with local concerns about anti-social behaviour and crime by the local council and police	2		
		CM Readings	NI 140 – Fair treatment by local services IRMP Returns – FP1, 2 & OP1	2		

Service Priority Area	Aim	Area Lead				
Reduction in Incidents of Arson	Targeted work to reduce the number of deliberately set fires in Guildford	Borough Manager				
Narrative	Initiative	Initiative Lead	Performance Indicator	Output		Strategic Outcomes
				Target	Actual	
Deliberately set fires are an indication of anti-social behaviour within a given area. They can lead to injury or loss of life, damage to businesses and the environment, even causing the unnecessary loss of community amenities.	<p>We will work with the Guildford Council waste management team and our Protection team Fire Safety Inspecting Officers, to reduce the number of refuse fires and container fires in the borough by visiting businesses in known 'hotspot' areas, namely those areas detailed below, to provide education/advice:</p> <ul style="list-style-type: none"> ▪ High St and North St, dates TBA ▪ Europa Park, dates TBA <p>Where necessary, the above will include the completion of joint inspections to specific premises.</p>	<p>WM Moulds</p> <p>Ff Jones</p> <p>Ff May</p>	<p>BVPI 206i + 206iii – Number of deliberate fires (excluding deliberate fires in vehicles) (Annual Target [Insert Annual Target])</p> <p>BVPI 206ii + 206iv – Number of deliberate fires in vehicles (Annual Target [Insert Annual Target])</p> <p>NI 33 – Arson incidents</p>	<p>4</p> <p>4</p>		<p>Sustainable Community Strategy (SCS) – Children & Young People (Priority B): Improve the safeguarding of Surrey's most vulnerable children and young people.</p> <p>SCS – Health & Well-being (Priority C): Support more people to live independently and to exercise greater choice over their health and support arrangements.</p> <p>SCS – Housing, Infrastructure and Environment (Priority G): Help people in Surrey to achieve more sustainable lifestyles.</p>

	We will support local and National Neighbourhood Watch events. In particular, the National Neighbourhood Watch week on [Enter Dates - via police] running a targeted campaign with police and local neighbourhood teams. The main focus of Fire Service involvement will be to support a reduction in deliberate car, shed, and refuse containers fires.	Ff Amos	NI 49 – Number of primary fires and related fatalities and non-fatal casualties, excluding precautionary checks NI 21 – Dealing with local	2		<p>SCS – Safer and Stronger Communities (Priority I): Improve public confidence in the ability of public services to keep Surrey safe, prepare for emergencies, and reduce crime and anti-social behaviour.</p> <p>SCS – Safer and Stronger Communities (Priority J): Strengthen local communities through targeted public and voluntary sector activity, active citizenships and work to tackle equalities.</p> <p>LAA Priorities – Children and Young People: NI 111.</p> <p>LAA Priorities – Safer and Stronger Communities: NI 21.</p>
	We will invite all eligible schools within the borough to participate within the Schools Fire Watch Scheme.	[Insert Individual(s) Name]	concerns about anti-social behaviour and crime by the local council and police	[Insert Number]		
	We will provide ongoing support to the schools, currently participating within the Schools Fire Watch Scheme, which are not yet self-sufficient with the principles.	[Insert Individual(s) Name]	NI 70 – Reduce emergency hospital admissions caused by unintentional and deliberate injuries to children and young people	[Insert Number]		

	<p>We will undertake the following local initiatives aimed at reducing instances of arson:</p> <ul style="list-style-type: none"> ▪ PCSO arson awareness ▪ Work with Guildford CS team in Westborough. 	<p>Ff Christmas CM Reynolds</p>	<p>NI 111 – First time entrants to the Youth Justice System aged 10-17 NI 140 – Fair treatment by local services</p>	<p>3 TBA</p>	<p>Customer and Communities Directorate Strategy. SCC Corporate Plan 2009-2013. PSP – Improvement Programme 2 – Reducing Preventable Incidents. PSP – Improvement Programme 8 – Information Management. E&D Strategy 2008-2011. T&D Strategy 2006-2010. SP: Objectives 1a, 2 (all)</p>
<p>Deliberate vehicle fires are often as a result of anti-social behaviour, theft and other deliberate acts. They can be difficult to combat, especially where vehicles are being dumped within Surrey following theft from other areas.</p>	<p>We will work with our partners to ensure that all known abandoned vehicles are reported, in an effort to ensure that they are removed before they become a target of arson.</p>	<p>Ff Sutlief</p>	<p>IRMP Returns – FP1, 2 & OP1</p>	<p>100%</p>	

<p>Derelict or unoccupied buildings cause the Fire Service and the community a number of problems. Firstly, is the major issue in relation to the safety of our personnel attending incidents involving a deliberate or accidental fire in these premises, where the inherent state of repair and contents can be of a precarious nature.</p> <p>Secondly they become a centre for anti-social behaviour that can expand out into other parts of the community, leading to an increase of arson involving other property/premises.</p>	<p>We will work closely with the Local Authority (LA), our Arson Task Force (ATF) and private landlords to ensure that all known derelict properties, or those in danger of becoming derelict, are identified and boarded up to reduce the risk of their subsequent involvement in deliberate fire setting.</p>	<p>Ff Nathalie</p>		<p>100%</p>	<p>and 4 (all).</p>
