Dear Sirs

**EGERTON ROAD / GILL AVENUE JUNCTION IMPROVEMENTS
TRAFFIC REGULATION ORDER**

As you are aware we are currently promoting the above works, for which we have Planning Consent, and which essentially comprise converting the existing roundabout to a signalised cross-roads.

In order to facilitate the free flow of traffic through the junction, it is intended to ban, through a Traffic Regulation Order, right turn movements at the junction for east-bound traffic along Gill Avenue into Richard Meyjes Road. The process for confirming the Order requires that we consult with yourselves as adjacent land owners to advise you of the intentions, which we hereby do.

Could you please confirm in writing by 3rd June at the latest that you understand and agree with the proposal. Please copy your response to Surrey County Council, Room 365, County Hall, Penrhyn Road, Kingston upon Thames, Surrey KT1 2DY marked for the attention of Mr. A. Orooj.

Thank you for your assistance in this matter.

Yours faithfully

Professor Stephen Baker
Development Director
