

Forward Programme - schedule for reports

Surrey County Council Local Committee (Guildford)

22nd June 2011

Key Issue

The Forward Programme of reports for the Local Committee for 2011/12.

Summary

This report sets out the sequence of reports for the municipal year of 2011/12. The Committee are asked to consider those local items and issues that it wishes to include in the Forward Programme. Early indications would help officers to investigate, consult and prepare any additional reports.

Officer Recommendations

The Committee is asked to:

- a) Agree the Forward Programme 2011/12, as outlined in Appendix 1, indicating any further preferences for inclusion.
- b) Consider any further themes for Member briefings during 2011/12.

Introduction and Background

1. The Forward Programme of the Local Committee is revised at each Committee meeting. Members are requested to propose any additional items for inclusion on the Programme. Officers are then required to investigate and consult with the appropriate services, partners or other agencies on the purpose, content and timing of future reports. As these negotiations are concluded then items are added to the Programme.

Conclusions and Reasons for Recommendations

2. Members are asked to comment on the Forward Programme so that Officers can publicise the meetings and prepare the necessary reports.
