Dear Occupier

Have your say - consultation on possible changes to the parking controls in Warwicks Bench (Area H) between Castle Hill and Fort Road

Guildford Borough Council and Surrey County Council are reviewing on-street parking controls in and around the town centre controlled parking zone (CPZ) and would like your feedback.

Residents in some areas of the town centre CPZ have raised various concerns about parking, including the availability of space, and the impact of inconsiderately parked vehicles. We are keen to hear your views.

Some of the parking concerns in your part of Warwicks Bench could be due to non-residents' use of the free, shared-use limited waiting spaces during the present control hours. It is suggested that they are primarily doing this to avoid parking charges in the nearby town centre car parks and on-street parking spaces.

We are sending this consultation to all properties in Warwicks Bench between its junctions with Castle Hill and Fort Road.

Please complete the enclosed questionnaire and return it to our Parking Office by **Friday 29 June 2012** in the pre-paid envelope provided. Together with Surrey County Council, we will consider all your feedback. Any proposed changes to parking controls will be considered by Surrey County Council's Guildford Local Committee during 2012.

Please do not hesitate to contact me if you have any questions.

Yours faithfully

Andrew Harkin
