The procedure for submitting petitions and questions is laid out in a local protocol, which is summarised below. The full protocol is available on request from the Local Committee and Partnership Officer and will be given to any member of the public who gives notice that they wish to submit a petition or ask a question.

PETITIONS

Petitions must contain signatures from 10 households or businesses within the affected area. It must relate to a matter within the terms of reference of the local committee. A maximum of 3 petitions can be presented at any one meeting of the local committee.

A spokesman for the petitioners can address the local committee on the subject of the petition for 3 minutes. The Chairman will then accept the petition on behalf of the local committee. No discussion will take place. Instead, it will be referred without discussion to the next appropriate meeting of the local committee.

PUBLIC QUESTIONS

There will be no limit to the number of oral questions which may be asked at any one meeting, although the time available to ask questions will usually be limited to 20 minutes as a rule.

Copies of any questions received in writing will be circulated to Members of the local committee in advance providing the question was received 14 days in advance of the meeting. Otherwise, a response will be provided after the meeting.

Questions will be taken in the order in which they are received and directed to the Chairman. Questions will be asked and answered without discussion.

Members of the public wishing to present a petition or ask a question should advise the Local Committee and Partnership Officer before the start of the meeting. Officers will be available half an hour before the start of the meeting. It would be helpful if members of the public wishing to participate arrive 10 minutes before the start of the meeting.
