

**OFFICER RESPONSE TO PETITIONER  
LOCAL COMMITTEE  
(MOLE VALLEY)**

**RANDALLS ROAD, LEATHERHEAD  
PETITION**

**24 JUNE 2009**

**A petition of 29 signatures was received from Residents of Randalls Road Leatherhead, as follows:**

*We the undersigned residents of Randalls Road, respond to the Surrey County Council proposal for parking in Randalls Road, Leatherhead, as follows:*

*We consider it fails to satisfy the needs of road users, pedestrians and residents and, in particular, fails to address adequately the safety of all those who use or live on this stretch of the A245. We support the alternative scheme proposed by residents of Randalls Road (March 2009).*

**The local Highways Manager responds:**

This petition put forward the request that the proposed unrestricted parking bays be amended to a waiting restriction of Monday to Friday 8am-10am and 4pm-6pm. This has been taken into account and put forward as a revised proposal for parking restrictions along this road, the details of which are outlined in the Leatherhead Waiting Restriction Review Committee Report of 24<sup>th</sup> June 2009.
