

**OFFICER RESPONSE TO PETITIONER  
LOCAL COMMITTEE  
(MOLE VALLEY)**

**WINDFIELD, LEATHERHEAD  
PETITION**

**24 JUNE 2009**

**A petition of 28 signatures was received from Fiona Cooper on behalf of Residents of Windfield Leatherhead, as follows:**

*In response to your letter received at the end of February, our suggestion is that, the parking is restricted by saying:*

*'No parking for 1 hour in the morning and no parking for 1 hour in the afternoon'*

*This would prevent the all day commuter parking. We feel this is a compromise to the suggestions that you put forward and one that actually suits the people that live there, by not restricting their visitors parking during the day to 1 hour only.*

**The Local Highways Manager responds:**

This requests put forward by the petition have been taken into account and are outlined in the Leatherhead Waiting Restriction Review Committee Report of 24<sup>th</sup> June 2009.
