If you have any queries concerning interests, please contact the Local Committee and Partnership Officer.
2. Members are reminded that, under Article 2.03(b)(iv) of the Council's constitution, they can formally notify the Area Director / Area Transportation Director of an item which they would wish to be included as a report to a future meeting of the Committee. The feasibility of any such requests will then be investigated and the Member concerned advised accordingly.
3. Member questions must be given in writing to the Local Committee and Partnership Officer by 12 noon **FOUR** working days before the meeting.
4. Members are requested to let the Local Committee and Partnership Officer have the wording of any motions and amendments not later than one hour before the start of the meeting.
5. A record of any items handled under delegated powers since the last meeting of the Committee will be available for inspection at the meeting.

PUBLIC PARTICIPATION:

At the start of the local committee for Mole Valley, any member of the public who is a resident or conducting business in the Mole Valley area may present a petition or ask a question. The procedure for submitting petitions and questions is laid out in a local protocol, which is summarised below. The full protocol is available on request from the Local Committee and Partnership Officer and will be given to any member of the public who gives notice that they wish to submit a petition or ask a question.

OPEN FORUM

There is an Open Forum session at the beginning of the Local Committee for members of the public to ask questions of members. There will be no limit to the number of oral questions which may be asked at any one meeting, although the time available to ask questions will usually be limited to 20 minutes as a rule.

PETITIONS

Petitions must contain signatures from 10 households or businesses within the affected area but in some circumstances it may be appropriate for the chairman to exercise their discretion to accept a petition carrying fewer signatures. It must relate to a matter within the terms of reference of the local committee.

A spokesman for the petitioners can address the local committee on the subject of the petition for 3 minutes. The Chairman will then accept the petition on behalf of the local committee. If the petition is submitted 14 days before Local Committee, an officer will respond to the petition. **The spokesperson may then ask one supplementary question.** If the petition was not submitted 14 days before the Local Committee the petition will be referred without discussion to the next appropriate meeting of the local committee at the discretion of the Chairman.

WRITTEN PUBLIC QUESTIONS

Copies of any questions received in writing will be circulated to Members of the local committee in advance providing the question was received 14 days in advance of the meeting. Otherwise, a response will be provided after the meeting.

Questions will be taken in the order in which they are received and directed to the Chairman. **People may ask one supplementary question after they have received their answer.**

Members of the public wishing to present a petition or ask a question should advise the Local Committee and Partnership Officer before the start of the meeting. Officers will be available half an hour before the start of the meeting. It would be helpful if members of the public wishing to participate arrive 10 minutes before the start of the meeting.
