Q6 Description of the project. What difference will this make?

What will be done?

Description

Brockham Youth Council is a community youth group aimed at young people 11-18yrs, living in Brockham, Betchworth, Buckland & Leigh. The group is made up of volunteers, both adults & young people and our aims are very simple:

- Find out what the young people want to do for social, sport & recreation
- Track down the funding needed
- Organise the activities the young people want

The idea is to provide what the young people say they want to do, not what adults think they should want or do.

The group is building on information that came out of Brockham's Parish Plan that identified that provision of activities for young people needed to be improved and that young people needed to feel included in the wider community. We have carried out a lot of research and consultation with young people to identify and prioritise all the activities they want to see happen and this now comprises a long and wide-ranging list!

An art club where they got to choose the sort of art they tried and was project based has been identified by young people as something they would like to do. They felt that there is lots of this sort of activity for younger children and they would like to be able to have access to doing art that they had chosen to do. It would help those studying art at GCSE and A-level, could help with Duke of Edinburgh skill awards and would just be good fun.

We have found a local art teacher willing to run weekly term-time sessions and a suitable venue and we are currently building up a waiting list of those interested in taking part.

The Difference It Will Make

Activities for young people aged 11-18yrs, based in the village, are important as it allows young people from all parts of the village, from different schools and of different ages to meet and socialise.

Taking part in art activity is relaxing and an important creative stimulus that young people sometimes miss out on if they have not chosen to study art at GCSE or if they do not have access to art materials at home. It can also be very helpful to those who are not academically driven.

By allowing the young people to chose what they want to try out we think there

will be some very interesting results and we hope to have an art exhibition at the end of the first year. A local business has offered to donate prizes if we organise this.

We believe there will also be benefits to the local community. By organising local activities the wider community have interaction with young people and the local venues are in use, therefore increasing their revenue and sustainability. By doing an art exhibition, the wider community can also get involved and interested in the project.

Q7 When will the project be:

a) started: Sept 2012 b) completed: **August 2013**

The dates you expect your project to begin and finish.

Financial Questions

Q8 When will you need the funds? August 2012

The date when you will require the funds.

Q9 What is the total cost of the project? £2,432.62

The total cost of the project.

Q10 How much of the total cost would you like from the Local Committee? Please include estimate/breakdown of this part.

£1,430.00

If you have a quote, please attach it to the form.

Q11 Where is the rest coming from? We have received £250 from the Poland Trust & £300 from the Betchworth United Charities. We have raised £100 recycling mobile phones & expect to raise another £100 from this with a further £250 from a planned sponsored event in the summer.

Is it promised already, or still to be found? This means we have raised £650 so far and are confident of raising the other £350.

Names and amounts from other funders

Q12 Have you applied for this funding from any other part of Surrey County Council? Please give details:

No

Please give names of the department, and dates applied.

Q13 Are you currently in receipt of any grant or contract funding from Surrey County Council? Please give details:

No

Please include even if not for this particular project.

Q14 Has the organisation responsible for the project received any Local Committee funding for this or any other purpose in the past? Please give details: No

Include project purpose, dates and amounts.

Q15 If this project will need funding in future, how will the costs be met? (Costs may be included e.g. maintenance, replenishment, breakdown, repair, support)

We have costed the annual running costs, including venue hire, tutor costs and materials and worked out a sessional cost to cover this. By funding the first year costs, the session fees from one year will then finance the following year.

Description of the project. What difference will this make?	Brockham Badgers is a FA Standard Charter youth football club with 300 members. We are working to continue to develop the opportunities we are able to offer with regard to development and coaching, in 2 parts: (1) To provide a higher standard of coaching to assist in the development of our members to incorporate third party professional coaches. For season 2012/ 2013 we are aiming to enable each of our teams to have 3 sessions with a higher level coach - 20 teams x £35 per session x 3 sessions per team = £2100. (2) To provide the opportunity for older players i.e. 15/ 16 years of age to become involved in coaching with younger teams in the club and gain a FA Level 1 coaching qualification. More players will be joining the program next season but at this time we have 16 youth coaches planning to the FA level 1 coaching qualification at a cost of £120 per person (this is the discounted cost for FA Standard Charter clubs). Cost £1920.

Is the organisation a voluntary organisation?	Yes
What are you seeking funding for?	
Description of the project. What difference will this make?	We are seeking start-up funding for a Fishing Club to provide leisure activity and teach skills to 'at risk' young people in North Leatherhead. We believe that learning skills is an important activity for young people who are facing challenges in their lives and is a very effective tool for building self esteem. We will start a fishing club which provides young people who are at-risk of exclusion with regular fishing trips with support from mentors and volunteers. The

	young people, in groups of between 4-6, will learn how to maintain equipment as well as getting to grips with fishing skills. In year 1 of the project we will work with 6 young people who are identified by our team as 'at risk' either because of difficulty at school or a situation at home. Referrals will be sought from Therfield School and other local youth workers. The project will aim to support each young person with clear outcomes using the 'Outcome Star' monitoring system. The young people involved will take part in two team building sessions where they learn the basics of team-work as well as how to use fishing equipment, before taking part in 4 day trips across the summer months (May-September). We believe this project will give confidence and hope to young people who are otherwise struggling for inspiration and support. We also believe that the skills they learn through this project will give them confidence and purpose to continue this hobby into the future. The costs involved in this bid include purchase of equipment, license costs and transportation. Fishing will take place in Mole Valley, at the Bury Hill lake in Dorking.

Are you currently in receipt of any grant or contract funding from Surrey County Council? Please give details:	No.
Has the organisation responsible for the project received any Local Committee funding for this or any other purpose in the past? Please give details:	Yes, we have received funding from the Local Committee for several projects in 2010/2011, including counselling provided in Therfield School, and The Grind Urban Sports project.
If this project will need funding in future, how will the costs be met? (Costs may be included e.g. maintenance, replenishment, breakdown, repair, support)	The majority of the costs in this bid will provide long-term equipment for the project. Future costs will be sought if the project is successful and continues for a second year.

Q4 Name of the organisation carrying out the project:

Surrey Federation of Young Farmers' Clubs – (voluntary organisation)

Name of the organisation responsible for carrying out the project and if it is a voluntary organisation.

What are you seeking funding for ?

Q6 Description of the project. What difference will this make?

What will be done?

Summary

The principle of Young Farmers is that the members run their own clubs, of which there are 7 across Surrey, and also the county federation. This enables members to develop key life skills. To kick start and accelerate this development we run an Annual Development programme. This includes a series of events such as Junior and Senior development weekends, Competitions Days, and Club and County Officer training.

Through these actual overall skills such as team work, planning and organising and leadership are gained. Other specific skills such as crafts, cooking, public reading/speaking, and self presentation in an interview situation are also gained. In addition our members develop a sense of achievement, feel valued, enjoy contributing and participating and take responsibility for themselves.

Specific details of events

Junior weekend activities (ages 10-16)

Sailing, Raft building and Kayaking

Team building games e.g. sitting circle, pyramid

Volley Ball/ Rounders/Dodge ball

First aid awareness

Sign Language

All members take part in running camp, through helping organise games, being involved in the preparation of camp meals and taking their turn in general clearing/washing up duties

Older members attend as Junior Leaders and jointly lead groups with experienced leaders.

Examples of some of the Competitions over the 3 events

Club Sign, Club Publicity advert, Novelty cake decorating, Cookery, Club song to an ABBA tune, create a 2 verse Limerick, Photography (A Celebration), Still life drawing, Poster (Diamond Jubilee Tea party), Sculpture, Jubilee Presentation Bouquet, Duck/Chick rearing, Stock Judging (Dairy Cattle, Beef, Pig, Sheep), Horse Management, Log it, Yes/No Quiz, Cycle Safety, Scalextric Rally, Skittles with a difference, Musical Pit Stop, Dodge ball, Public speaking, Public reading, Young Farmer of the year competition.

Some of the above competitions are part of a National Young Farmers Competition schedule and winners progress to area and national

competitions.

Club and County Officer training on the following roles

Club Chairman, Treasurer, Secretary and Programme Secretary (these roles are elected and held by members, typically aged 13 and over, and are supported by Club Leaders,).

County roles – County Chairman, Vice County Chairman, Competitions Committee Chairman and Finance and General Purpose Committee Chairman. (These roles are typically held by members aged 16 and over)

Q7 When will the project be:

a) started: April 2012 b) completed: April 2013

The dates you expect your project to begin and finish.

Financial Questions

Q8 When will you need the funds? April 2012 onwards, could be received up to September 2012

The date when you will require the funds.

Q9 What is the total cost of the project?

Junior weekend- total £4,900, hire of venue- £2,200, activities - £1,600, equipment - £380, food -£300.

The total cost of the project.

Senior weekend- total £550 Venue- £175, activities-£250, food £150

Competitions days x3 total- £2,300 Venues - £1,400, equipment/prizes etc £500, staff costs £400

Training events- total- £800 venues -£400, equipment - £300, food - £100,

Total £8550

Q10 How much of the total cost would you like from the Local Committee? Please include estimate/breakdown of this part.

We aim to fund approximately 50% of the above costs ourselves using proceeds from Cowpie Country Show and members contributions.

Also the above cost is for all Surrey Young Farmers who live across all of Surrey. Mole Valley holds approximately 45% of all our members (approx 75-80 members), we would therefore like to apply for £1,200.

This has been reduced as we have already received £700 from Helyn Clack's 2011-2012 allocation specifically for the 25 members living in Dorking Rural (see question 13 and 14 below).

If you have a quote, please attach it to the form.

Q11 Where is the rest coming from?

Surrey Young Farmer Clubs annual Cowpie Country event and SFYFC member payments/contributions

Names and amounts from other funders

Is it promised already, or still to be found?

Promised. These funds will be raised through the 2012 Cowpie show, being held on May 13th 2012. The amount of the funds available are

dependent on the weather and attendance on the day.

Q12 Have you applied for this funding from any other part of Surrey County Council? Please give details:

We haven't applied to anywhere else for the £1,200 requested above. As explained above this amount relates directly to the number of members who reside in Mole Valley (excluding those in Dorking Rural for whom we have already received £700).

We have also applied to Reigate, Guildford and Surrey Heath boroughs for amounts pro rata to their membership numbers.

Please give names of the department, and dates applied.

Q13 Are you currently in receipt of any grant or contract funding from Surrey County Council? Please give details:

£700 - Helyn Clack's 2011-2012 member allocation provided specifically for the 25 members living in Dorking Rural

Please include even if not for this particular project.

Q14 Has the organisation responsible for the project received any Local Committee funding for this or any other purpose in the past? Please give details:

As in answer to Q13

Include project purpose, dates and amounts.

Q15 If this project will need funding in future, how will the costs be met? (Costs may be included e.g. maintenance, replenishment, breakdown, repair, support)

Our Development programme are designed with an awareness of funds. These funds will be generated from grants, donations and revenue from any fundraising which we can secure.

Information on how you intend to fund and/or maintain your project in the future.

Q4 Name of the organisation carrying out the project:

ENCORE YOUTH ORCHESTRA

A non-profit making youth orchestra, dedicated to developing a love of music in young people and nurturing a wide range of musical abilities and talent.

Name of the organisation responsible for carrying out the project and if it is a voluntary organisation.

What are you seeking funding for ?

Q6 Description of the project. What difference will this make?

What will be done?

Currently we are seeking funding for: -

New Music

Our Youth Orchestra is in need of new music to play and perform. The children like to perform modern classics from film & TV scores like 'Pirates of the Caribbean' and 'Dr Who' as well as classical pieces. The Orchestra needs to continually update the library to keep the interest and enthusiasm of the children.

New portable Music Stands

Our current portable music stands are very old and battered. On a health and safety basis we have had to throw away quite a number and they need replacing urgently. At the rate the stands are failing we will not have enough to share around very soon.

Percussion instruments

In September 2010 we started up a percussion section for our Youth Orchestra. It has been many years since we had one. We do have some percussion instruments, left over from years past, but we need to add to these especially as our percussion section is growing healthily.

Concert Uniforms

Our current concert uniform – which has been on the go for at least 15 years - consists of a mustard yellow tie, which the children wear with their school uniform – white shirt/black trousers/skirt. Over the past few years the children have begun to 'mutiny' as they no longer feel the uniform is 'modern' or 'in fashion'. We have to agree with them and would dearly love to modernise the uniform. We are currently getting their design ideas in for this. Uniforms are a very costly business these days and funding towards this would be a huge help. It would be great to be able to have this in place in time for our summer concert on Wednesday 4th July 2012.

Weekly Rehearsal t-shirts/polo shirts

We would very much like to introduce a t-shirt or polo shirt for our regular weekly rehearsals for the children. This we feel would increase a sense of belonging and camaraderie amongst them.

Advertising Campaign Costs

To increase our membership we currently need funding to print flyers to distribute through schools – most schools also now ask for a donation for this... libraries; shop windows; etc. We also need to advertise in local papers and magazines on a continuing basis. We need funding to be able to display our advertising banner at different venues around the area.

Coach travel to residential home concerts

In February of this year Encore, by invitation, also performed for the residents at the Royal Star and Garter Home in Richmond, Surrey. We were very well received. They would very much like us to perform for them again next year.

We would like the EYC to perform further concerts per year to other such residential homes/charity events across Surrey.

Unfortunately parents are not always prepared to take their children to performance venues out of their local area. To ensure we have a full contingent we need to travel by coach, which is a costly exercise. E.g. The coach for the Royal Star and Garter Home cost £270 for the afternoon.

Bring in Professional Musicians for one or two day workshops

We would like to bring in professional musicians to run workshops for the children. We feel the outside influences would stimulate and enthuse the children and encourage and strengthen their musical abilities both as a group and individually. It will also further their opportunities of things to do at the weekend and during the holidays.

Difference this will make to the Orchestra

In Sept 2008 when I took over as the Chair, our Orchestra was at an all time low membership wise. We only had approximately 13 members. When my children had joined two years earlier there were around 32 members. At its height in the 1990s there had been 70 members.

With the help of a new Committee we set about raising the orchestra from the ashes – hence the name ‘Phoenix Project’. We changed the name from Encore Schools Orchestra to Encore **Youth** Orchestra. We set in motion a large advertising campaign for the local area and fundraising to cover this. One of the aims of our first three-year development plan was to bring the Orchestra back up to at least 35 members. We have achieved this. We have also managed to start a percussion section so we have a full orchestra contingent.

We are now entering the next phase of the project, which means implementing the essential wish list above for which we need help with funding. This will further strengthen Encore Youth Orchestra so the current children will want to stay and bring in their friends. Our reputation will grow further so more children and their families get to hear about us. The aim now is to increase our membership to 45 by the end of the academic year 2012/2013.

Difference this will make to the local community in Surrey.

Our ethos is that we are a non-profit making youth orchestra, dedicated to developing a love of music in young people and nurturing a wide range of musical abilities and talent. If we keep to our current membership numbers from September 2012 and get outside funding we will be able to offer disadvantaged children the chance to join on a low cost or no subscription basis and loan them an instrument to practice on if necessary. A further aspiration, if we can get enough funding to cover it, would be to be able to offer scholarships to these children of outside individual music lessons.

As well as our Spring and Summer Concerts – which are open to the local community - twice yearly our Youth Orchestra members perform to residents at our local community retirement homes. With further funding we can increase these to include residential homes/charity events further afield in Surrey as well (see above under heading Coach travel to residential home concerts).

Q7 When will the project be:

b) started: already begun b) completed: open ended

The dates you expect your project to begin and finish.

Financial Questions

Q8 When will you need the funds? ASAP.

The date when you will require the funds.

Q9 What is the total cost of the project? Initially.... Approx £10,695.

The total cost of the project.

Q10 How much of the total cost would you like from the Local Committee? Please include estimate/breakdown of this part.

If it would be at all possible to fund around half the cost of the project - £5000 that would be a tremendous help. Below is an approximate estimate/breakdown of the total costs that we have researched of all the items required. We do not as yet have formal quotes. However, if this amount is not possible our priorities would be items 1; 2; 3 a- f; & 4; – amounting to £2400.

If you have a quote, please attach it to the form.

1. New music - £400
2. 20 x Portable Music Stands & carry cases - £500
3. Percussion instruments: -
 - a) 16 inch Clash cymbals & stand + cradle: £220
 - b) 16/17 inch Suspended cymbal & Stand: £130
 - c) Soft beaters for cymbals: £20
 - d) Set of Roto toms: £95.
 - e) Glockenspiel beaters: £20
 - f) Triangle beaters: £15
 - g) Xylophone & beaters: £900
 - h) Set of three Timpani & beaters: £4025
4. New Concert Uniform - £500 - £1000 depending on design.
5. T-shirts - £300 including set up/design costs
6. Advertising costs including newspapers/magazines/flyers - £1300
7. Coach travel - £270 initially
8. Professional Musician Workshops - £1500 initially

Q11 Where is the rest coming from? Fundraising and membership subscriptions.

Is it promised already, or still to be found? We have raised £1000 so far but the rest is still to be found.

Description of the project. What difference will this make?	<p>We started two years ago Ashtead mini colts, which is basically a football club for 4 - 6 year olds to learn the basics of football. This started with 6 players in September 2010 and today we have 92, so you can see the demand is huge and the feedback has been so positive. I have run this solely by myself as a voluntary scheme ever Saturday morning over four hours each week and now I have to move onto other areas, but would like this our Under 16/17 and 18 players can take this venture on under my and other higher qualified supervision. We would need to the youngsters all CRB checked, put through FA level one coaching courses and ideal have 10 youth players teach what they have learned over the years from other coaches to then pass this onto real youngsters on their first steps of the football ladder. Once gone all through the checks and a years worth of voluntary coaching (which 6 have done this year) we would like to reward them by paying them a small weekly wage, to keep them involved in this community work and also be their part time job allowing them to have some disposable income and a reason to get up early on a Saturday morning.</p>

What are you seeking funding for?	
Description of the project. What difference will this make?	Ashcombe Volleyball Club wish to build on the huge success they have enjoyed with women and girls volleyball by offering more provision for boys and men to participate in the sport. We have recently been working with a number of secondary schools (Ashcombe, Therfield, Howard of Effingham, St Andrews) and have seen a demand for a structured boys programme. We would like to run a session weekly as part of our club open to all boys aged under 18 years and develop a group of players for competition.
When will the project:	
Start:	01/09/2012
Be completed:	30/7/2013

How much of the total cost would you like from the Local Committee? Please include estimate/breakdown of this part.	£3,800
Where is the rest coming from?	The club will ask players to purchase their own playing kit
Is it ^{promised} already, or still to be found?	To be paid for by the participants
Have you applied for this funding from any other part of Surrey County Council? Please give details:	No
Are you currently in receipt of any grant or contract funding from Surrey County Council? Please give details:	Not presently, we have been awarded funding in the past.
Has the organisation responsible for the project received any Local Committee funding for this or any other purpose in the past? Please give details:	Yes in 2010 to develop youth volleyball
If this project will need funding in future, how will the costs be met? (Costs may be included e.g. maintenance, replenishment, breakdown, repair, support)	We envisage that once players have engaged in the programme and developed a strong interest that they will be happy to pay subscription fees to join the club. We also raise funds through organising tournaments and events for other local teams.
