One Public Question has been received

1. Proposed Crossing at Sutton Lane Banstead

Mr R M Stamp, Sutton Lane, asks the following question:

"Given that the crossing should be 'near to the junction with Winkworth Road and Croydon Lane' (2-2), would it be possible to show, at the meeting, the relative positions of the proposed crossing, the Winkworth Road/Croydon Lane roundabout, the existing crossing on Winkworth Road, the main entrance to Greenacre School and the entrance to Sunrise Homes?"

The Local Transport Manager Responds:

"The plan below shows the features raised in this question."
