

**OFFICER REPORT TO LOCAL COMMITTEE  
(REIGATE AND BANSTEAD)**

**LOCAL COMMUNITY ACTION PLAN  
TADWORTH VILLAGE**

**7 DECEMBER 2009**

**KEY ISSUE**

Reigate and Banstead Borough Council have a rolling programme for developing Local Community Action Plans across the Borough. The plans are informed by residents and local stakeholders following extensive consultation at a community level.

The process is intended to support Members in their representational and community leadership roles and Reigate and Banstead Borough Council use the plans to inform their budget and service planning and priority setting.

As some of the issues that are raised within the plans are the responsibility of other organisations including the County Council, the process has been further developed to involve County Council Members and Officers. Part of this process is an opportunity for the Local Committee to comment on the draft Local Community Action Plans as they are developed.

## SUMMARY

The Tadworth Village Local Community Action Plan (Annex A) identifies the following issues for action:

- Roads and pavement conditions
- Safer routes to school
- Parking
- Traffic
- Thriving local business
- Community safety
- Village appearance
- Development
- Local environment
- Lack of facilities for young people
- Public transport
- Health services
- Education

The Borough Council's Executive endorsed the Tadworth Village Local Community Action Plan on 15 October 2009.

## OFFICER RECOMMENDATION

**The Local Committee is asked to:**

- (i) Note the Local Community Action Plan for Tadworth Village and the priorities within it.
