04/10 **REDHILL – PROPOSED WAITING RESTRICTIONS –
CONSIDERATION OF OBJECTIONS [Item 4]**

The Parking Strategy and Implementation Group Manager presented the report.

During discussion by the Committee the following key points were raised:

- It was noted that Members for the electoral divisions and wards concerned had met to discuss the feedback from the consultation, and it was generally accepted that there would be conflicts of opinion between residents.
- Members asked whether the Borough Council had been consulted on whether the hours proposed for curfew parking would enable refuse lorries to better access certain roads, and whether discussions on enforcement had taken place. The officer informed the Committee that regular discussions take place with the Borough Council, and that there were resources in Reigate and Banstead for targeted enforcement.

The Committee **AGREED:**

- (i) The implementation of the proposed new or amended waiting restrictions, in line with the recommendations detailed in Annex A to the report submitted.
- (ii) Amendments to the relevant traffic regulation orders to facilitate the agreed changes.
