ON STREET PARKING PETITION

To the Surrey County Councils local committee in Runnymede to be held on Friday 11th March –The Runnymede Centre,Chertsey 9.15 am

We wish to have the 30 minute street parking increased in Englefield Green to minimum of 1 hour – preferably 2 hours.

The Social Hall, local school, St. Judes Church, residents, restaurants, salons, offices and shops are all affected. There is not enough time to visit more than one business, attend a church service or a meeting in the Social Hall within the restricted time, Monday to Saturday.

The Saturday councilor surgery held at the Social Hall only offers street parking!

The local car parks, which are under review, do not offer sufficient parking spaces for the needs of the village. We must have the street parking time increased as a matter of urgency.

To be sent to:

**Miss Susan Bruce, County Councillor Egham North,
30 Trotsworth Court, Virginia Water, Surrey GU25 4AG**

**And copies to Mr David Mitchell,
Runnymede Transportation Service, Runnymede Centre,
