What are you seeking funding for ?	
Q4 Describe the area where the funding applied for would be spent The neighbourhood identified is in Egham Hythe 006B, more specifically the Pooley Green area of the Hythe ward. This area was subject to a Section 30 order in 2009 due to repeated incidents of youth disorder. There is no Surrey County Council youth centre in this area – the Egham youth centre is on the other side of the M25, approximately 2 miles away.	Give details of the neighbourhood or locality which is being targeted by this proposal
Q5 Provide evidence of the local needs which the funding would address The Index of Multiple Deprivation (2004 release) indicated that this area came second highest in Runnymede for overall deprivation (overall score 60) and although by 2007 release its position had improved, it remains the fifth most deprived in the borough overall. In particular this ward has one of the highest rates of NEET young people in Surrey – 11 at the last count. The SCC “heat maps” show 52% of young people in the area did not achieve five good GCSEs at age 16, so there is clearly a need to engage more effectively with this group.	Provide data, e.g. Index of Multiple Deprivation, Joint Strategic Needs Assessment, and details of any local consultation which support your application for this area.

<p>Q6 Describe the project or activities you are seeking funding for</p> <p>The set-up of a local youth venue, as there is no provision in the immediate area for young people.</p> <p>An application to the Youth Opportunities Fund (Capital) for a temporary cabin, to be located on recreation land owned by the borough council and close to where the young people live, is to be submitted shortly.</p> <p>SDAF funding is requested to furnish the cabin with some basic equipment – chairs, small fridge, kettle etc, to make a welcoming place for small group activities.</p>	<p>Briefly describe the proposed actions and the activities that will be undertaken; explain how the project would offer something new to the area</p>
<p>Q7 What outcomes and outputs will you be aiming to achieve and how do they help SCC achieve its strategic priorities ? Please also say what SCC services are involved and the named contact(s).</p> <p>The provision of somewhere for young people to gather safely and without annoying other residents will give them a sense of ownership and engagement in the community, diverting them from minor acts of anti-social behaviour and giving them positive activities especially those who are NEET (not in employment, education or training).</p> <p>The main outcome will be a reduction in ICADs and ASB reports for the location to the Community Safety Partnership, plus a reduction in the number of NEET young people.</p>	<p>An outcome is the direct difference your project will make. The outcomes and quantifiable outputs you specify will form part of our funding agreement with you and progress against these must be detailed in the report which you will be required to submit at the end of the funding period.</p>
<p>Q8 How would you involve residents in the project ?</p> <p>Residents from the tenants' group support the need for a place for young people, and some have volunteered to help staff the facility and run activities alongside voluntary and statutory organisations.</p> <p>Full consultation with other local residents will be undertaken prior to any planning application for the cabin.</p>	<p>Describe how you would establish a relationship with residents and voluntary organisations</p>
<p>Q9 The fund is available for one year only; how will any project initiated during this period be sustained in the longer term ?</p> <p>After the first year we intend to involve the young people in fund raising and investigating other funding streams which may become available.</p>	<p>Explain how you intend to develop local capacity to sustain the project after the funding ends.</p>
<p>Q10 How will you measure your success in carrying out the activities and achieving the outcomes you have set out above ?</p> <p>By monitoring the number of young people attending the youth club and participating in the activities on offer.</p> <p>By monitoring the number of NEET young people;</p> <p>By a sustained reduction in the number of anti-social behaviour complaints to the Police and Council.</p>	<p>We don't want to create reporting burdens so do keep systems simple, realistic and informative.</p>

<p>Q11 Please set out the project timescale and key project milestones</p> <p>December 2010 – results of applications for funding known. February 2011 – consultation and planning approval April 2011 – cabin purchased, installed and equipped in time for Easter school holidays. Rota of agencies staffing it is finalised. Working party of young people to “customise” by painting exterior and interior. May 2011 – grand opening.</p>	<p>We will be requiring a brief quarterly update on progress and these milestones will form the basis of that update</p>
<p>Q12 Who are your key partners and how are you developing a shared approach to the area ?</p> <p>The key partners already working together to address anti-social behaviour and the needs of young people in this area are:</p> <p>Surrey Police neighbourhood team (specialist officer, PCSOs and Sergeant) SCC – Youth Development Service – detached workers in post Runnymede Borough Council – Leisure services East 2 West – voluntary sector youth organisation St Paul’s Church – Father Michael, vicar of the parish The Joint Action Group brings together the partners to discuss needs in this location, and there is a separate group meeting to take forward this project to provide a youth meeting place.</p>	<p>Please list the partner organisations you are working with and the strategic and local objectives you wish to achieve; explain how partners’ contributions will represent an integrated solution to the needs of the area.</p>
<p>Q13 Provide details of reports received by the Local Committee which have contributed to an understanding of disadvantage in your borough/district as a whole and in this area in particular.</p> <p>The Local Committee has recognised Egham Hythe as an area of need in the borough since 2004. More recently the Committee has received reports on disadvantaged areas at its meetings:</p> <p>February 2008 – Item 15 “Local area profile” October 2009 – Item 12 “Priority areas” July 2010 – Item 15 “County Council Fund for Small Disadvantaged Areas” – this shows that Egham Hythe is the fifth most disadvantaged area in the borough.</p>	<p>Demonstrate that the Committee has developed an understanding of the profile of disadvantage locally and of the opportunities for joint working and leadership.</p>
<p>Q14 What has the Local Committee done in the past to support multi-agency activity to respond to the needs of disadvantaged communities ?</p> <p>The Local Committee has agreed member allocations funding from Mrs Yvonna Lay for a range of projects addressing local needs in Egham Hythe, including a) contribution of £5,000 towards a new outreach youth pastor employed by East 2 West voluntary group; b) £800 for leisure equipment for young people in the Hythe, overseen by East 2 West; c) £2000 for the NEET club in conjunction with Magna Carta school; d) £4000 towards a Youth Festival in 2008 at the nearby Egham Leisure Centre; e) counselling sessions by Relateen for young people.</p>	<p>Describe any projects supported in high-need areas and initiatives which have increased the influence of their residents on local services and opportunities.</p>

Financial Questions

<p>Q15 How much are you applying for ?</p> <p>£2,000 in total for furniture and fittings, to purchase basic kitchen equipment (fridge, microwave, kettle and mugs), paint for inside and outside, a sofa and easy chairs, desk and filing cabinet, plus stacking chairs, folding chairs and multi-use games equipment.</p>				<p>This should be the total amount of money you are requesting from this fund.</p>
<p>Q16 How will this funding help the project or initiative ? What are the implications of not receiving the funding you have requested from SCC ? What are the implications of receiving part of the funding you have requested from SCC ? (Please keep answer brief)</p> <p>A separate application for purchase of a temporary youth cabin (£15k) is being submitted to the Youth Opportunities Fund 2010-11. If this is successful, the funding applied for as detailed in Q 15 will enable the young people of Pooley Green to customise the cabin as a place to drop in and take part in positive activities, as well as getting help from the various partner agencies which will staff the facility.</p>				
<p>Q17 What resources are available from other partners in the project and how far are these dependent on SCC funding ?</p> <p>See Question above – application submitted for YOF capital funding.</p> <p>The partners listed have pledged staff resources to keep the facility open for young people.</p>				
<p>Q18 Has the area received financial support from any part of SCC (including Local Committee allocations and funding from the former self-reliance budget) in the last 2 years? If yes, please give brief details.</p>				<p>This information helps SCC to continue to monitor its support to Surrey organisations and promote collaboration between departments.</p>
