Q3 After taking into account children who need exceptional arrangements (e.g. children in care or those with special educational needs or medical conditions), the current system in Surrey is to allocate places for schools where there are more applicants than places to children with brothers or sisters already at the school and then those who live within an Admissions Priority Area (APA). The APA is a flexible area that is drawn each year that a school has too many applicants. It takes into account things such as what places at other schools are available, long-standing community links, road and rail links and natural boundaries such as main roads or rivers. How fair do you think this system is? **TICK ONE BOX ONLY**

Very fair	<input type="checkbox"/> 1	Unfair	<input type="checkbox"/> 4

Neither fair nor unfair.....	<input type="checkbox"/> 3	Don't know	<input type="checkbox"/> 6

Q4 After taking into account children who need exceptional arrangements (e.g. children in care or those with special educational needs or medical conditions), a possible alternative is to have a system based on a combination of some or all of the following (i) brothers or sisters (ii) going to the nearest school (iii) 'feeder schools' and (iv) being able to get to the school easily by foot, bicycle or public transport. How fair do you think this system would be? **TICK ONE BOX ONLY**

Fair	<input type="checkbox"/> 2	Very unfair.....	<input type="checkbox"/> 5
Neither fair nor unfair.....	<input type="checkbox"/> 3	Don't know	<input type="checkbox"/> 6

Q5 Which combination of these factors would you prefer? **TICK ALL THAT YOU THINK SHOULD BE INCLUDED**

<i>Brothers or sisters at the school</i>	<input type="checkbox"/> 1	<i>'Feeder schools'</i>	<input type="checkbox"/> 3
<i>Going to the nearest school</i>	<input type="checkbox"/> 2	<i>Being able to get to the school easily on foot, bicycle or by public transport</i>	<input type="checkbox"/> 4

Section 2: Preferred Schools

When applying for a school place you are asked to choose 3 schools. Please consider the following systems for taking these 3 choices into account:

SYSTEM A (Equal Preference): You are put into the pool to be considered for all 3 of the selected schools. This means that there are more applications overall but if you do not get a place at your 1st choice then you will be considered for the 2nd and then the 3rd choice of school.

SYSTEM B (Preference Weighted): First of all you are considered for your 1st choice of school only. This means that there are usually fewer applicants for each school. If you do not get a place at your 1st choice then you will be considered for the 2nd and then 3rd choice of school but behind those who put it as their first choice.
