SPELTHORNE**

LOCAL COMMITTEE FORWARD PROGRAMME 2007/2008

8TH OCTOBER 2007

KEY ISSUE

The Local Committee usually receives a proposed Forward Programme for the year. This report proposes reports which could come before the Local Committee for consideration.

SUMMARY

To consider suggestions for future reports and to ask Members for other proposals for reports.

OFFICER RECOMMENDATIONS

The Local Committee Spelthorne is asked to agree that:

- (i) The proposals in the report or made by members at the meeting for future reports to the formal meetings of the Local Committee be approved.
- (ii) The SCC youth service be invited to present their plans and vision for Spelthorne to an informal meeting of the Local Committee in the autumn.

1 INTRODUCTION AND BACKGROUND

1.1 It has been the practice for the Local Committee to receive a Forward Programme at each meeting setting out the anticipated reports for the municipal year. It was not possible to submit this report to the 2nd July meeting and since then following discussions with the Chairman it has been suggested that over the remainder of the period of this municipal year i.e. at the 10th December, 4th February and 17th March meetings reports from the following services and the following subjects might be invited.

- Surrey Fire and Rescue Service
- Surrey Trading Standards
- Looked After Children
- Rights of Way
- Terminal 5
- Air quality
- Passenger Transport
- Annual report on distribution of Members Funds and capital allocation in the year 2006/2007
- Getting Around Spelthorne

1.1.1 The Committee agreed that informal meetings of the Local Committee should be held as required. It is proposed that the SCC youth service be invited to attend an informal meeting in the autumn to share their vision and changes within Spelthorne.

1.1.2 Highways and Transportation items will include, although not an exhaustive list at this time –

Dec - Clockhouse Lane pedestrian / cycle bridge
Local Transportation Programme Review 2008/9

Feb - Local Transportation Programme Bid 2008/9 - 2012/13

Mar - Local Allocation 2008/9

2 OPTIONS

2.1 If Members wish to request other reports suggestions will be welcomed.

3 FINANCIAL AND VALUE FOR MONEY IMPLICATIONS

3.1 Where appropriate the reports will contain such information.

4 EQUALITIES AND DIVERSITY IMPLICATIONS

4.1 Future reports will take account of these implications.

5 CRIME AND DISORDER IMPLICATIONS

5.1 Future reports will take account of these implications.

6 CONCLUSION AND RECOMMENDATIONS

6.1 Part of the Local Committee's remit is to be aware of the services delivered by SCC within Spelthorne

7 REASONS FOR RECOMMENDATIONS

7.1 Having a list of items Members would wish to have reported will enable a Forward Programme to be drawn up and for officers of relevant services to be invited to present to the Local Committee in December, February or March.
