

**Assessment of Requests for Waiting Restrictions - Criteria**

<b>Points</b>	<b>Congestion</b>	<b>Access</b>	<b>Safety</b>	<b>Environment</b>	<b>Enforcement</b>
0	None	No problem	No road safety problem	None	Restrictions would be isolated
1	On minor road	Local access obstructed	Likely road safety problem	Improve street scene	Nearby existing restrictions
2	On major road	Emergency access obstructed	Collision problem	Reduce impact of heavy goods vehicles	Adjoins existing restrictions
