**Item 4      CHAIRMAN'S ANNOUNCEMENTS**

---

**Item 5      PETITIONS**

To receive any petitions in accordance with Standing Order 64

**(i)      Mrs Jacque Hogan will present a petition which reads:**

“Our quality of life is being affected by the constant stream of H.G.V's using Squires Bridge Road, Laleham Road, New Road and Charlton Road. The H.G.V's are causing excessive vibration to houses and buildings. They are speeding and causing unbearable noise from the early hours, throughout the

day and until the late hours of the night. This is not helped by the fact that they travel in numbers. The sheer number of lorries makes using, crossing, working and living along Squires Bridge Road, Laleham Road, New Road and Charlton Road, intimidating, frightening, dangerous and unhealthy.

The residents and visitors would like a total ban on H.G.V's using these roads. Or failing that, any other reasonable measure that can be agreed by the councillors and residents to improve our quality of life. Although this has been an ongoing problem for many years it has now reached an unacceptable level.”
