Dear Colleague

As you will no doubt be aware the Government announced in the recent Queen's Speech that the proposed Decentralisation and Localism bill will include proposals to 'abolish the Standards Board regime'. Beyond this statement, we do not currently have clear details of the scope or implications of this proposal. However, until such time as the relevant legislation is passed, the statutory framework remains operative.

We will therefore continue to work with you to support your work. In turn, we expect you to continue with your statutory duties including the assessment of allegations, and we will continue to consider cases which you refer to us.

We remain committed to ensuring that there is a proper framework of local accountability in which the public can have confidence and we wish to work with central and local government to develop any proposals. As more details emerge we will keep you informed of developments and would be interested in hearing your views about how future arrangements could most effectively work.

In the meantime, if you need clarity on any specific issues, please do continue to call our enquiries line.

Yours sincerely
