**APPLICATION FOR A DISPENSATION**

I Vivienne Leighton----- (insert  
name,)

wish to apply to the Standards Committee for a dispensation to allow me to speak and vote at any meeting of Surrey County Council's Spelthorne local committee in relation to Airtrack and the Heathrow Airtrack Order for a period of up to four years from the date that my application for dispensation is granted.

**Applicable Provisions of the Code of Conduct**

The Heathrow Airtrack Order includes provision to compulsorily purchase land in the ownership of Spelthorne Borough Council. As a Spelthorne Borough Councillor I have a personal interest in any business at a County Council meeting affecting the Borough Council. In the case of any consideration of Airtrack, that interest may become prejudicial since it could affect the financial position of the Borough Council to the extent that a member of the public might reasonably regard it as so significant as to prejudice my judgement in the public interest.

**Reason for Dispensation**

More than 50% of those eligible to vote on highways matters at Spelthorne Local Committee may be unable to do so as a result of any prejudicial interest arising in relation to the effect of the proposed Order and Scheme on Spelthorne Borough Council's financial interest.

Any additional comments

Signed: M. J. J.
