

Old Dean Youth Centre also offers:

- A programme of activities / opportunities for young people aged 13-19 years, to develop their personal and social education and help them to achieve their potential in a safe and young people friendly environment.
- Partnership with schools and other agencies to identify targeted young people to offer support, gain accreditation and promote opportunities for further education, employment and training
- A welcoming space for partner agencies to meet with young people
- The 'get it on' scheme for young people at the centre
