

ITEM 8 – ADDITIONAL BIDS - TABLED

Item 8 – Member Allocations 2011/12

The following bids for Member Allocation funding were received after the report deadline.

The bids cannot be authorised using delegated powers since they exceed the threshold at which the powers may be used, and would therefore need to be deferred until the next meeting in October. Members are therefore asked to consider the bids as a **Tabled** Item.

PROPOSALS FROM POOLED CAPITAL BUDGET (FOR DECISION)

12.2 Title: Camberley Rugby Club – Purchase and install griddle/cooker

Members name: Denis Fuller
Project Cost: £2668.00 plus VAT
Amount Requested: £1650.00

To purchase and install a griddle/cooker at Camberley Rugby Club to benefit all players and members of the Club. The Rugby Club advises that the current cooker has been declared unsafe, and that a replacement should be fitted as soon as possible.

The Club received funding of £1000.00 in 2008 for repairs to the balcony.

Paragraph 12.3 will only be considered if the Local Committee approves the report at Item 20, Red Road, Lightwater – Proposed Change in Speed Limit, TO 50 mph

12.3 Title: Red Road, Lightwater – Implementation of Local Committee decision to change the speed limit along the complete length of Red Road to 50 mph

Members name: Bill Chapman/Denis Fuller
Project Cost: £20,000.00
Amount Requested: £20,000.00

The cost of introducing a 50mph speed limit along the full length of Red Road is estimated to be £20,000. Should the Local Committee approve the proposal in the report at Item 20, Members could agree to fund the implementation of the proposals from the 2011/12 Member Allocation fund (pooled capital). The allocation of the funding would enable the implementation of the works to commence within the current financial year.
