NOTES:

1. Attendees are reminded that this is not a public meeting but a meeting held in public. This means that only written questions received 7 days in advance will be formally recorded. In order for informal comments or questions to be received, the Committee has to formally adjourn and reconvene. To allow members of the public to participate without disrupting the flow of the proceedings, it has been agreed that attendees may speak at the discretion of the Chairman and, at all such times, the meeting will be considered to have adjourned. Anyone requiring a formal response should lodge their details with a member of the Local Partnerships Team before leaving.
2. Members are reminded that Standing Orders require any Member declaring an interest which is personal and prejudicial to withdraw from the meeting during the discussion of that item, except in the circumstances referred to in Standing Order 58. If you have any queries concerning interests, please contact the Local Committee and Partnership Officer.
3. Members are requested to let the Local Committee and Partnership Officer have the wording of any motions and amendments not later than one hour before the start of the meeting.
4. Copies of the reports listed on this agenda will be available on our website from Wednesday 12 June 2008. Please visit www.surreycc.gov.uk/tandridge and follow the link to 'Local Committee Papers.'
5. There will be a refreshment break between the general and transportation parts of the meeting. This normally occurs at approximately 11.45am but, as this may vary depending on the agenda, anyone wishing to attend for public questions/petitions in the second section should arrive early.
