INTEGRATED TRANSPORT SCHEMES

Project Description.	Funding	Progress
A25 High Street, Bletchingley. Layout improvements.	2009/10 £20,000 LTP	Progressing feasibility study. Drawings being prepared and to be sent to the local County Council and Parish Council for comment and decision about way forward. Comments received from Bletchingley Parish in November being investigated.
Tatsfield village scheme. Improvements for pedestrians and traffic.	2009/10 £40,000.	Consultations with Parish Council are helpfully influencing the design work. It is hoped that issues with Common Land can be resolved so that a design can be finalised and construction start dates determined. Funding available for some or all highway works in current year approved by Estates Management.
Caterham on the Hill area. Improvements at various locations.	2009/10 £20,000.	Some minor works this financial year and investigation of some other sites following meeting with Divisional County Councillor in August. Traffic calming scheme outside St Josephs school in Whyteleafe Rd being investigated. Likely consultation early 2010. Burntwood Lane/Whyteleafe Road traffic signals -- improvement to pedestrian facilities being progressed. Additional pedestrian phase to be added to help school children. Footpath from Whyteleafe Rd to Essendene Rd -- lighting improvements ordered.
Caterham. Shabby to Smart.	2010/11 £45 2009/10 £20,000.	The £45,000 LTP funding is centrally provided towards the project, which has successfully gained a SEEDA grant. About £18,000 has been spent this financial year on drainage work. A scheme is being developed with TDC and the Caterham S2S project. Likely implementation summer 10.
Wapses Lodge Roundabout improvements	2008/09 £90,000 LTP. 2009/10 None.	Surfacing works completed this financial year following extensive refurbishment last financial year. Complete. Additional vegetation clearance over coming months on the footways around the roundabout.
