NOTES:

1. Attendees are reminded that this is not a public meeting but a meeting held in public. This means that only written questions received 7 days in advance will be formally recorded. In order for informal comments or questions to be received, the Committee has to formally adjourn and reconvene. To allow members of the public to participate without disrupting the flow of the proceedings, it has been agreed that attendees may speak at the discretion of the Chairman and, at all such times, the meeting will be considered to have adjourned. Anyone requiring a formal response should lodge his or her details with the Committee clerk before leaving.
2. Members are reminded that Standing Orders require any Member declaring an interest which is personal and prejudicial to withdraw from the meeting during the discussion of that item, except in the circumstances referred to in Standing Orders 61 and 62. If you have any queries concerning interests, please contact the Community Partnership and Committee Officer.
3. Members are requested to let the Community Partnership and Committee Officer have the wording of any motions and amendments not later than one hour before the start of the meeting.
