NOTES:

1. Attendees are reminded that this is not a public meeting but a meeting held in public. This means that only written questions received 7 days in advance will be formally recorded. In order for informal comments or questions to be received, the Committee has to formally adjourn and reconvene. To allow members of the public to participate without disrupting the flow of the proceedings, it has been agreed that attendees may speak at the discretion of the Chairman and, at all such times, the meeting will be considered to have adjourned. Anyone requiring a formal response should lodge his or her details with the Committee clerk before leaving.
2. Members are reminded that Standing Orders require any Member declaring an interest which is personal and prejudicial to withdraw from the meeting during the discussion of that item, except in the circumstances referred to in Standing Orders 61 and 62. If you have any queries concerning interests, please contact the Community Partnership and Committee Officer.
3. Members are requested to let the Community Partnership and Committee Officer have the wording of any motions and amendments not later than one hour before the start of the meeting.
4. Copies of the reports listed on this agenda will be available on our website from Wednesday 15 June 2011. Please visit www.surreycc.gov.uk/tandridge and follow the link to 'Local Committee Papers.'
5. Tabled reports (ie those which are not available at the time of printing) can subsequently be viewed on line at the above website address or in hard copy by request from the Community Partnerships Team.
6. Members of the public are asked to note that, although the committee aims to break for refreshments between the General and Transportation elements of the agenda, it is not possible to guarantee this as the item running order is subject to late changes. It is the responsibility of those wishing to attend for a specific item to time their arrival accordingly.
