**18 JUNE 2010**

**KEY ISSUE**

To report on the Waverley capital major maintenance schemes included in the countywide programme for 2010/11.

**SUMMARY**

Surrey County Council has a formalised process to prioritise which roads to tackle first across the county. This report details the provisional programme for Waverley in 2010/11.

The following major maintenance schemes are provisionally included in the 2010/11 programme:

**OFFICER RECOMMENDATIONS**

**The Local Committee (Waverley) is asked to** note the major maintenance programme for Waverley in 2010/11.

**1. BACKGROUND**

1.1 Surrey County Council has a formalised process to prioritise which roads to tackle first across the county as a whole based on a number of factors including:

- Engineering assessment of condition
- Member and customer priority
- Type and importance of road

- 1.2 In the current year increased funding has been directed towards surface dressing, which is a lower cost treatment than resurfacing, and which seals the surface of the road, prevents the ingress of water, and provides skid resistance.
