

Surrey Fire and Rescue Service

As part of Surrey County Council, we aim to be a modern, efficient fire and rescue service that continuously improves the safety of the community.

With you, making Surrey safer

Integrated Risk Management Planning

Fire & Rescue Services Act 2004 (IRMP guidance note 1)

Fire and Rescue Services should serve all sections of our society fairly and equitably by:

- reducing the number of fires, fatalities, injuries and other emergency incidents occurring;
- providing value for money.

Known as the Public Safety Plan

Challenges

www.surreycc.gov.uk

Making Surrey a better place

- Stations not necessarily in the right places
- Wholetime shift systems are inflexible
- Retained system not sustainable
- Increasing range/complexity of incidents
- Increasing requirement for risk information
- Increased training requirements
- Maintaining success of prevention activity
- Finances

PSP success criteria

www.surreycc.gov.uk

Making Surrey a better place

- Operational Assurance achieved – delivering a safe and effective service, 7 days a week
- Clear and measurable response standard
- Resources match the risk and predicted demand
- Improved effectiveness of 1st fire engine (5 crew)
- Community safety improved through partnership
- Locally focussed service delivery
- Retained duty system issues resolved
- Within budget
- Developed with staff

Response Standard

www.surreycc.gov.uk

Making Surrey a better place

Current:

- 1 appliance in 8 minutes **or** 2 in 12 minutes for 75% of the population
- 1 appliance to all incidents in 18 minutes

Proposed:

- For incidents where life or property is at risk;
1st fire engine in 10 minutes **and** 2nd in 15 minutes on 80% of occasions
- For all incidents;
1 fire engine in 16 minutes on 95% of occasions

Response Standard

www.surreycc.gov.uk

Making Surrey a better place

• Modelled Surrey average:

• Current

1st in 7m 19s

2nd in 9m 41s

• Proposed

1st in 7m 23s

2nd in 10m 56s

• Range of average 1st response by borough:

• Current: 5m 16s - 9m 34s **(9m 22s)**

• Proposed: 5m 31s – 9m 02s **(9m 02s)**

Incident Profile (Hour)
