1. These are the formal papers for a formal meeting of the Local Committee for Woking. Members of the public are very welcome to come. The whole meeting is open to the public, except for confidential items. If there are any confidential items they will be in part two of the agenda and clearly marked as confidential.
2. Members of the public do not have the right to speak at formal meetings of the Local Committee. However, the Local Committee also has informal meetings so that members of the public can have their say. If you would like to receive news of these, please contact us.
3. Members of the public can send in questions. Formal questions and the replies are recorded in the minutes of the meeting. These are the rules for formal questions from members of the public:
 - Questions can be submitted by any member of the public who is an elector of the Surrey County Council area.
 - The question must relate to a matter within the Committee's terms of reference.
 - Questions can not be asked on matters that are confidential or exempt under the Local Government Access to Information Act 1985 or on planning applications.
 - Questions should relate to general policy and not to detail.
 - Each elector can ask only one question.
 - No more than 6 questions are allowed overall. If there are separate general and transportation agendas, there can be 6 general questions and 6 transportation questions. If more than 6 questions are received, the Chairman will usually take the first 6. However, if two of them cover the same subject, he may combine these into one question to make room for questions on another subject.
 - Officially, questions must be received by the Community Support Team at least 5 working days before the meeting. They can be sent in any

form, including email. In practice, we will normally allow questions to be asked up to two working days before the meeting.

- You do not have the right to speak at the meeting, except to read out your question if you wish to.
 - Copies of your question and the answer will be printed and available at the meeting. You can ask for the answer to be read out at the meeting.
 - If your question cannot be taken at the meeting because there are more than 6 already, you will receive a reply in writing shortly after the meeting. You also have the right to ask for your question to be dealt with formally at the next meeting so that it is recorded in the minutes then.
4. It is also possible to present a petition to the Local Committee. Please contact us to find out how this must be done.
 5. Committee Members should give the Local Support Officer, Sarah Goodman, the wording of motions and amendments no later than one hour before the start of the meeting, and of any questions no later than 12 noon, two working days before the start of the meeting.
 6. Committee Members are reminded that under Standing Orders, any Member who has an interest must declare it. If the interest is personal and prejudicial the Member must also withdraw from the meeting during the discussion of that item, except in the circumstances referred to in Standing Order 58. If Members do have a personal and/or prejudicial interest in any item that is to appear before the Committee please contact the Local Support Officer for a declaration of interest form.
 7. A record of any items handled under delegated powers since the last meeting of the Committee will be available for inspection at the meeting.
