

PETITION

**APPOSING THE PROPOSED WAITING
RESTRICTION AT DARTMOUTH
AVENUE, SHEERWATER**

LOCAL COMMITTEE WORKING

20 OCTOBER 2008

SUMMARY:

Wording of the petition:

Petition apposing the proposed waiting restriction at Dartmouth Avenue, Sheerwater.

Presentation of the Petition:

We understand the petition is signed by at least 50 people and may be presented to the Committee by Lorraine Mackenzie.

Paul Fishwick, Local Highways Manager, responded

Two Petitions have been received objecting to the proposed limited waiting restrictions at Dartmouth Avenue (though only the first was received formally by the Local Committee).

The first petition was received from Lorraine Mackenzie of the Oasis Café Dartmouth Avenue and signed by 328 people, the second petition was received from Jackie Tytherleigh of J K Hair Design Dartmouth Avenue, signed by 108 people. Both of these shops are located within shopping parade which contains 19 separate shops.

The proposals for the limited waiting came from a meeting of the Sheerwater Community Local Action Plan Group on the 16 April 2008, which consists of local residents and was attended by the Local Highways Manager for Woking. As the proposal came from this group no further consultation was made with businesses or residents. The proposals were then included within the Waiting Restriction Amendments item 11 (minute 31/08 refers) that were agreed at the meeting of this Committee on the 23 June 2008 and duly advertised on site and within the local newspaper.

Three objections were received, including the two petitions stated above. The Chairman of this Committee County Councillor Mrs Val Tinney, Electoral Division Member County Councillor Shamas Tabrez and the Local Highways Manager for Woking, have discussed the reasons for the objections against the requirements for the waiting restrictions and have concluded that the proposed waiting restrictions will NOT be included within the Order and have therefore been deleted from the schedule.

Paul Fishwick

Local Highways Manager – Woking
