20 OCTOBER 2010

#### KEY ISSUE

To advise the Committee of the response to a petition received at the 7 July 2010 meeting.

#### SUMMARY

**Petition urging Surrey County Council to remove the cycle signs on the Basingstoke Canal through Brookwood and including Brookwood Park.**

A decision on the petition was deferred on the 7 July 2010 and a site meeting with members of the Local Committee and the petitioners is planned for the 13 October 2010.

A copy of the 7 July 2010 report has been attached as Annex A.

#### OFFICER RECOMMENDATIONS

**The Local Committee (Woking) is asked to:**

- i. Agree that the cycle signs located on the Basingstoke Canal through Brookwood including Brookwood Country Park should remain, but the set of signs located at the Basingstoke Canal / Sheets Heath junction should be replaced with smaller size signs (non-reflective).

**Update since the 7 July 2010 Local Committee.****1. FINANCIAL IMPLICATIONS**

1.1 The Rebranding of the Cycle Network has been paid for using funding allocated from the Cycling England contribution towards the Cycling Town project. There still remains a small sum of money and this has been set aside to amend the signs at the Basingstoke Canal/Sheets Heath junction and Basingstoke Canal / Brookwood Country Park junction if the smaller size signs are accepted.
