## ***Ask a question***

If there is something you wish know about how your council works or what it is doing in your area, you can ask the local committee a question about it. Most local committees provide an opportunity to raise questions, informally, up to 30 minutes before the meeting officially starts. If an answer cannot be given at the meeting, they will make arrangements for you to receive an answer either before or at the next formal meeting.

## ***Write a question***

You can also put your question to the local committee in writing. The committee officer must receive it a minimum of 4 working days in advance of the meeting.

When you arrive at the meeting let the committee officer (detailed below) know that you are there for the answer to your question. The committee chairman will decide exactly when your answer will be given and may invite you to ask a further question, if needed, at an appropriate time in the meeting.

## ***Sign a petition***

If you live, work or study in Surrey and have a local issue of concern, you can petition the local committee and ask it to consider taking action on your behalf. Petitions should have at least 30 signatures and should be submitted to the committee officer 2 weeks before the meeting. You will be asked if you wish to outline your key concerns to the committee and will be given 3 minutes to address the meeting. Your petition may either be discussed at the meeting or alternatively, at the following meeting.

**SURREY COUNTY COUNCIL**

**LOCAL COMMITTEE (REIGATE & BANSTEAD)**

**DATE: 14 DECEMBER 2015**

**LEAD OFFICER: DAVID CURL, PARKING STRATEGY AND IMPLEMENTATION MANAGER**

**SUBJECT: FORMAL PUBLIC QUESTIONS**

**DIVISION: TADWORTH, WALTON AND KINGSWOOD**

**One formal public question has been received from Ms Gillian Hein:**

The Council has recently proposed a number of parking changes in Tadworth but these are piecemeal and there have been strong objections from residents. Is it possible to have an overall plan for Tadworth which takes into account problems of through traffic using inappropriate residential streets, commuter parking pressures and congestion points? The current parking proposals to deter commuter parking will increase traffic speeds and push commuter parking further out onto streets currently unaffected.

**David Curl, Parking Strategy and Implementation Manager responds:**

As part of the 2015/16 Reigate and Banstead Parking Review we included a number of proposals around Tadworth intended to help manage parking in the village. We have been reviewing the consultation responses and do not plan to go ahead with any where there are a significant number of objections. The feedback we have received from this consultation process will help us shape any further proposals and the council's parking team will work with the county councillor and residents' groups to achieve the best balance of restrictions in the village through our borough wide parking review process.
