QUESTIONS, PETITIONS AND PROCEDURAL MATTERS

The Cabinet will consider questions submitted by Members of the Council, members of the public who are electors of the Surrey County Council area and petitions containing 100 or more signatures relating to a matter within its terms of reference, in line with the procedures set out in Surrey County Council's Constitution.

Please note:

1. Members of the public can submit one written question to the meeting. Questions should relate to general policy and not to detail. Questions are asked and answered in public and so cannot relate to "confidential" or "exempt" matters (for example, personal or financial details of an individual – for further advice please contact the committee manager listed on the front page of this agenda).
2. The number of public questions which can be asked at a meeting may not exceed six. Questions which are received after the first six will be held over to the following meeting or dealt with in writing at the Chairman's discretion.
3. Questions will be taken in the order in which they are received.
4. Questions will be asked and answered without discussion. The Chairman or Cabinet Members may decline to answer a question, provide a written reply or nominate another Member to answer the question.
5. Following the initial reply, one supplementary question may be asked by the questioner. The Chairman or Cabinet Members may decline to answer a supplementary question.

MOBILE TECHNOLOGY AND FILMING – ACCEPTABLE USE

Those attending for the purpose of reporting on the meeting may use social media or mobile devices in silent mode to send electronic messages about the progress of the public parts of the meeting. To support this, County Hall has wifi available for visitors – please ask at reception for details.

Anyone is permitted to film, record or take photographs at council meetings. Please liaise with the council officer listed in the agenda prior to the start of the meeting so that those attending the meeting can be made aware of any filming taking place.

Use of mobile devices, including for the purpose of recording or filming a meeting, is subject to no interruptions, distractions or interference being caused to the PA or Induction Loop systems, or any general disturbance to proceedings. The Chairman may ask for mobile devices to be switched off in these circumstances.

It is requested that if you are not using your mobile device for any of the activities outlined above, it be switched off or placed in silent mode during the meeting to prevent interruptions and interference with PA and Induction Loop systems.

Thank you for your co-operation
