Decision made

Decision made:

It was AGREED that:

A total payment of £8,400 be made to Step Ahead.

Reasons for Decision:

To recognise the additional costs incurred by Step Ahead in providing services during this period in response to the COVID-19 pandemic.

Decision taken by:	Dave Hill
Decision taken on:	18 th May 2020
To be implemented on:	Payment to be made following CLT and Cabinet Member Decision. This has now happened and payment will be processed.

Alternative options considered

The alternative is to not reimburse Step Ahead for the additional costs and leave the provider to find alternative means for funding them. This could put the long term sustainability of the provider at risk which would then impact on the available provision for children in Surrey.

Summary of any financial implications

The cost to SCC will be £8,400.
It is anticipated that this will be funded out of the COVID-19 funding SCC is receiving from central government.
