Title:	Collaborative Reablement Service
Divisions Affected:	All
Key Decision:	Yes
Reason Key:	Over £1m
Decision taken under delegation by virtue of:	Annual Procurement Forward Plan approved by Committees in Common in 2020

Summary

The provision of a Collaborative Reablement Service. Reablement forms one of the care services, alongside short-term crisis response services, intermediate care services delivered by health professionals and bed-based intermediate care services. It is a short term (up to six weeks) intervention following hospital discharge or after an emergency at their own home in the community, the aim of which is to help people to gain skills to continue living in the community as independently as possible by learning or relearning skills necessary for daily living.

Reablement services work closely with other services and disciplines as part of a multi-disciplinary team and is a non-chargeable service for anyone who is able to benefit from it.
