| <p>8</p> | <p>HIGHWAYS UPDATE</p> | <p>The recommendations are made to enable progression of proposed highways schemes, developer funded schemes and revenue funded works this financial year.</p> <p>The Committee further discussed the Toshiba Roundabout Project covered in the update report and the additional tabled report. The initial design options were based on options that are generally found to be effective for this type of scheme. In this case, modelling results have shown that signalisation of the Toshiba roundabout would result in a considerable worsening of congestion, with significant increases in queue lengths and journey times. For this reason, the original scheme proposal cannot be continued with. However, the modelling exercise has also identified improvements that can be made which would provide benefits for both pedestrians and motorists.</p> <p>The Local Committee (Surrey Heath) agreed to:</p> <ul style="list-style-type: none"> (i) Note the progress with the ITS highways and developer funded schemes (ii) Note the progress with budget expenditure (iii) Note that a further Highways Update will be brought to the next meeting of this Committee.
